The four foundations of all our German language part time courses are listening, reading, speaking and writing. Group discussions, role plays and interactive conversations in the classroom help everyone to improve every aspect of their language learning journey. We at Sri Venkateswara college design our courses in such a way that the individual level, capability and ability of every student to consume this foreign language is systematically dealt with and no student feels left	Passing this exam demonstrates that you can • Recognise the communicative functions of certain text types • Understand complex text types such as interview, reportages, radio features and talk shows • Extract the important bits of information from an entire audio clip • Understand with and or without previous explanation shot literary texts such as poems, tales and short stories

		behind. For each lesson we not only try to restrict ourselves to the books but we also try to combine the standard course books with some extra material as per the need of the students. Through regular tests, we always keep monitoring and assessing everyone's performance in the classroom. The most important aspect of language learning which many students hate or fear is grammar. In our courses we always try to employ unconventional ways of teaching grammar. Our student-friendly approach would include fun and interactive methods likeplayingGerman songs, games and watching movies.

They will learn to express themselves according to the situation with a clear pronunciation through imitating sounds and intonation of Germans.		The students can • Interview and answer questions in an interview • Express themselves spontaneously • Make an oral reproduction of the texts • Narrate stories after reading • Participate in role plays and discussions
