REPORT:-

When darkness deepens strangling the earth's breast and man's corporeal mind is the only lamp, As a thief's in the night shall be the covert tread Of one who steps unseen into his house. A Voice ill-heard shall speak, the soul obey, A Power into mind's inner chamber steal, A charm and sweetness open life's closed doors And beauty conquer the resisting world, The Truth-Light capture Nature by surprise, A stealth of God compel the heart to bliss And earth grow unexpectedly divine. - Sri Aurobindo (Savitri)

A wonderful seminar on श्री अरविंद का जीवन दर्शन was organized by Sri Venkateswara College, University of Delhi to commemorate the Azadi ka Amrit Mahotsav. Dr. Ram Kishore Yadav ji and Dr. Padma Priyadarshini ji successfully coordinated this with the permission of Principal madam Professor C. Sheela Reddy.

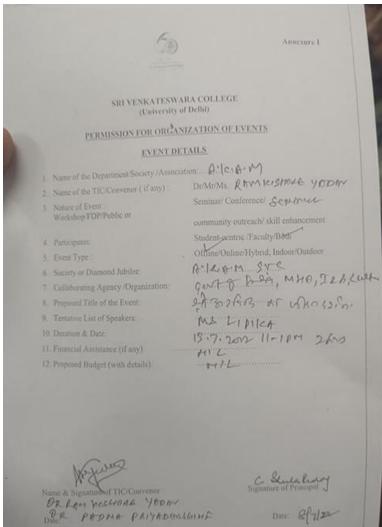

In this seminar, **Miss Lipika** an influential and a young speaker, whose powerful words had a different kind of effect on the audiences. The transformation of the whole of humanity requires not only individual but collective effort as well. In this session, the speaker explained the vision of Sri Aurobindo ji as follow:

- To create center of education through integral education based on the teachings of Sri Aurobindo and the Mother.
- To discover the infinite possibilities and inner needs in every child.
- To establish a Research and Education center, which shall carry out research by evolving, realizing, and providing Integral education.
- To provide education from the prenatal to the graduate levels among the villagers and urban population.
- To create institutions without any profit motive as other ordinary institutions do and to awaken the consciousness in children.
- To create Centers of Agriculture & Industry through developing agriculture in such a way that public health should not be compromised or sacrificed at any cost.
- To train the young minds of villages to go back to the fields, to become mentors, leaders and inspiration to the village population, leading a conscious life in accordance of Sri Aurobindo's Integral Yoga.
- To create awareness and care for the mother Earth and thereby promote plantations and the concept of reduce, reuse and recycle, and be as much close to Nature by promoting production and use of natural products.
- To harness Solar Energy as much as we can in the field of agriculture field with less dependence on Fossil fuel.
- To promote modern self-supporting small-scale industries for accomplishing the employment ability for the youth.
- To manufacture products in such a way that there will be joy of producing and there will be joy of harmony.

The seminar started at 11 a.m. and continued till 1 p.m.
