BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. II, III, VII):

TOPIC/SUBJECT OF THE ACTIVITY	Annual Departmental Magazine "Expressions 2017"
OBJECTIVES	Every year a magazine is published by the Department where the students are given the freedom to traverse their scientific inquisitiveness and literary fantasies. The objective is to give students a platform to express, explore and experience the joy of learning science.
METHODOLOGY	The Editorial Board led by the editor in chief – Shraddha Mohanty comprised of 8 students who worked under the mentorship of Dr. Nandita Narayanasamy and Dr. Vandana Malhotra. The announcement for the articles were made in late November and by the end of January, an overwhelming response was received from the students. Students, not only from the Biochemistry department but also from the PG diploma in molecular and biochemical technology, contributed not only articles but also other contents for the magazine.
OUTCOMES	After much brainstorming, the theme for the magazine was decided and all students were asked to explore the field of Alternative Medicine. This theme completely aligned the theme for the annual festival SEAM 2017. Alternative medicine has sparked significant interest in recent times. The students did a survey that highlighted the trend of public willingness to try alternative methods of treatment in particular Naturopathy and Ayurveda. The whole aim of this exercise was to promote scientific enquiry amongst the students and to spread awareness on various aspects of alternative and traditional medicine. The articles highlight a
