### BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. II, III, V, VII):

|                               |   |
|-------------------------------|---|
| TOPIC/SUBJECT OF THE ACTIVITY | <p>MindSpar is a pioneering annual event held by the Sri Venkateswara College under the aegis of “Catalysis” the Biochemical society of the college. It was conceived and initiated with a vision to promote creativity and out-of-the-box thinking and entrepreneurial spirit amongst students. In 2017, MindSpar was launched with the sole objective of empowering young minds to come up with innovative ideas as solutions for pressing societal problems. After a phenomenal success amongst students and on popular demand, we return with MindSpar 2.0 –“Meeting New Challenges” in 2019.</p> |
|-------------------------------|---|

|               |   |
|---------------|---|
| OBJECTIVES    | <p>MindSpar was launched to create an entrepreneurial mindset and work readiness in the youth of today, such that they are problem solvers and job providers rather than just being job seekers. Such an endeavor equips students with 21st century employability skills. The students get a first hand experience at business start-up and presentation skills. Most importantly, students apply their acquired skills to obtain solutions to real life problems outside the classroom making them responsible for their futures.</p>  |
| METHODODOLOGY | <p><b>What is new in MindSpar 2.0?</b></p> <p>There are several value additions in the MindSpar 2.0 program, one of the prime ones being the inclusion of high school students across Delhi-NCR region. Postgraduate students including students with ongoing PhDs are also encouraged to participate. In keeping with the 2030 agenda for Sustainable Development, the themes for MindSpar 2.0 have been taken from the Global Goals of Sustainable Development created by UN and adopted by 170 countries, with India being one of them. The Sustainable Development Goals (SDGs) are a collection of 17 global goals set by the United Nations General Assembly in 2015 for the year 2030. The Goals have been adopted to end poverty, protect the planet, and ensure prosperity for all as part of a new sustainable development agenda. In other words, the SDGs are a blueprint for ensuring a better future for all.</p> <p>MindSpar 2.0 invited innovative ideas and projects under the following SDGs:</p> <p><b>Goal 3: Good Health and Well Being</b><br/> <b>Goal 6: Clean Water and Sanitation</b><br/> <b>Goal 7: Affordable and Clean Energy</b><br/> <b>Goal 13: Climate Action</b></p> <p>The 2019 Ideathon competition was initiated at three levels.</p> <p><b>Tier 1</b> - open to high school students (10-12th grade) in Delhi-NCR region. A mentor is mandatory for school teams to apply.</p> <p><b>Tier 2</b> - open to all undergraduate students in Delhi NCR region.</p> <ul style="list-style-type: none"> <li>• Team of 2-5 enterprising students</li> <li>• One idea per team</li> <li>• Any College, Any Course, Any Department</li> <li>• Mentor from any Central University / National Institutes</li> </ul> <p><b>Tier 3</b> - open to postgraduate students (including those with ongoing PhD) in Delhi-NCR region.</p> <p>In phase I screening, 12-15 abstracts from tier 2 were selected to present the ideas in the Finale event. Because of the few numbers, Tier 1 teams were invited to present their ideas as posters.</p> |
| OUTCOMES      | <p>The event was conducted on 4-5 November, 2019 as a 2 day event.</p> <p>Day 1 at Sri Venkateswara College (Tier 1 and Tier 2 levels)</p> <p><b>Inaugural address by</b> Dr. Shailja V. Gupta, Scientist H /Senior Advisor, Office of PSA, Gol</p> <p><b>Invited Speakers :</b></p> <ul style="list-style-type: none"> <li>• Dr. Aditi Haldar, Director, Global Reporting Initiative-South Asia</li> <li>• Dr. Deepika Bhaskar, Registrar, Regional Centre for Biotechnology</li> <li>• Lecture on “Bio-Entrepreneurship” by Ms. Suman Gupta Chief Operations</li> </ul>   |

|  |   |
|--|---|
|  | <p>Officer, BSC Bio-NEST Incubator</p> <p>Students showcased their innovative ideas to the esteemed panel of judges through presentations. The judges evaluated the presentations based on innovation, concept and impact of the idea. High school students presented their ideas through a poster competition. The winning teams won cash prizes and an opportunity to do a 4-week internship at Regional Center for Biotechnology, Faridabad. Top three ideas were offered a 6-month incubation space at the BSC BioNEST Bioincubator at RCB, Faridabad.</p> <p>The day 2 of the event was conducted at Regional Center for Biotechnology, Faridabad. The post graduate teams (Tier 3) pitched their innovative ideas to a panel of judges. Winners were given prizes and certificates.</p> |

\*Date Extended to 23rd Aug, 2019

Department of Biochemistry presents

# MindSpar 2.0

A unique ideathon competition showcasing creative thinking, innovation and entrepreneurship in high school, undergraduate and postgraduate students in Delhi-NCR region

November 4-5, 2019

Theme: Sustainable Development – Meeting New Challenges

FEATURING

"Seeds of Hope" Exhibition – a Joint initiative of Sokka Gakkai International and Earth Charter International

☀ Attractive Cash Prizes ☀ Internship Opportunities  
☀ Bio-Incubator Facility

Pre-Register Your Team by 16th August, 2019
