BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. II, V, VII):

TOPIC/SUBJECT OF THE ACTIVITY	The students were taken to Panacea Biotech, one of the few Biotechnology based industries in the NCR.
OBJECTIVES	Students visited Panacea Biotec, a pharmaceutical company in Delhi. It was a one day trip where students got the opportunity to visit the research and development facility of the company. The P.G.Diploma students' curriculum includes industry-academia interaction so as to enable these post graduate students to become familiar with the nature of work being carried out in various industries.
METHODOLOGY	The students were shown and explained the methodologies taken up at the fermentation facility of the company. They got a real view of the equipment used for large scale upstream and downstream processing. Students were also shown a presentation about the type of work carried out in the company and had a detailed discussion on the process of vaccine production at a commercial level.
OUTCOMES	Students got a wonderful opportunity to interact with the scientists, research scholars and lab technicians working at Panacea Biotec and also discussed career opportunities for science graduates and post graduates.
