1. Background:

On the occasion of release of 5th edition of 'Accrescent', the annual magazine of department of Botany, a seminar was organized on 20th April, 2023 by 'Involucre', The Botanical Society of Sri Venkateswara College. Senior Prof. P. L. Uniyal, Department of Botany, University of Delhi was invited for a talk on Wetlands- A wonderful ecosystem, save it to cherish. The event was held in room no. 57, Old Science Block. The event commenced at 11:00 am. Teachers and students of B.Sc. (Hons.) Botany course and other related courses participated in the event. Around 50 participants attended the event.

2. Reception and Event:

The event was anchored by Sakshi Mehra and Priyanshi Singh, 3rd and 1st -year students respectively of B.Sc. Hons Botany course. The event set about with Saraswati Vandana and lighting of the lamp by Prof. C. Sheela Reddy, Principal; Dr. S Venkata Kumar, Vice Principal; Prof. P. L. Uniyal, Chief Guest; Dr. Shukla Saluja, Teacher-in-Charge Department of Botany; and Aalokita Kesarwani, President, Involucre. This was followed by gifting a sapling as a token by Vice Principal Dr. S. Venkata Kumar. He then addressed the gathering by her captivating words and appreciated the department for its efforts. Following that, Dr. Shukla Saluja briefly introduced the department of Botany and Involucre, the botanical society. Next, Dr. Pooja Gokhale Sinha, convener of the magazine release event came to the podium and gave the audience insights about Accrescent and highlights of its 5th edition. The magazine was then officially released by the dignitaries.

After the successful magazine release, Dr. Shukla Saluja gave a warm welcome to the speaker Senior Prof. P. L. Uniyal, Department of Botany, University of Delhi and gave a brief introduction of him to the audience. Then Prof. P. L. Uniyal delivered an amazing talk on Wetlands- A wonderful ecosystem, save it to cherish. He explained the importance of wetlands in our ecosystem and why now there exists a need to make active efforts to save these wetlands. He also shared on potential solutions. He talked not only about science but also about social aspects regarding these wetlands. The lecture was followed up by a question-answer session in which students and teachers of the department participated enthusiastically. A vote of thanks to the chief guest was delivered by Dr. Sunita Yadav, co-convener of this event.

The event was culminated with a group photograph.
