### 1. Background:

A photography competition was organized from 13<sup>th</sup> September 2022 to 16<sup>th</sup> September 2022 by 'Involucre', Department of Botany, Sri Venkateswara College. The theme of the competition was "Nature: Through your skills." This competitive edge gave a really good way of driving our photography on by that extra few percent. The students of B.Sc(Hons.) Botany, B.Sc Life Sciences, B.Sc Biological Sciences and other related courses participated in the event. Around 30 entries were received.

### 2. Reception and Event:

Involucre, the Botanical Society of Sri Venkateswara College, organized a photography competition for the students of Sri Venkateswara College from September 13<sup>th</sup> 2022 to September 16<sup>th</sup> 2022. The very purpose of photography competition was to identify the best photographer and feature them in the Annual Magazine of Botany, "Accrescent." The competition provided them an opportunity to enhance their photography skills and boost their confidence. A google form was devised to submit the entries and only one entry per individual was allowed. The participants were allowed to submit in any size and format. The winners of this competition were announced on the Inaugural session of Involucre on 16<sup>th</sup> September, 2022. The best clicks were featured on our Instagram handle- **involucre\_svc**. Three students from our college were awarded and participation certificates are given to rest of the participants.

### 3. Future Scope:

A positive response was observed from the students of Sri Venkateswara College. Involucre, the botanical society at Sri Venkateswara College has conducted many such sessions even in online mode to spread awareness and disseminate valuable knowledge among the masses. It has done so in the past and will continue to do so in the future.
