NAME OF THE EVENT: Webinar on Career Options After Bsc. Botany			
DATE	DEPARTMENT	COMMITTEE/ SOCIETY	COORDINATORS NAME
27 January 2024	Botany	Involucre	Prof. Shukla Saluja (Teacher-in-charge & Convenor) Co-convenors: Dr. Pooja Gokhale Sinha Dr. Sunita Yadav Dr. Manoj Thakur Dr. Aditi Kothari Chhajer Dr. Pamil Tayal Dr. Shweta Sharma
TIME	VENUE	NUMBER OF PARTICIPANTS	NATURE: Outdoor/Indoor; online/offline/hybrid
5:00 PM to 6:00 PM	Google meet	66	Online

BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Webinar On Career Options After Bsc. Botany
OBJECTIVES	The main Objective of conducting this webinar is to help students to clarify their values, interests, strengths and skills. Also to expose them to a diverse range of career fields and opportunities and also to spread awareness on the importance of choosing the right career path. Overall, the main aim is to provide guidance and support to individuals in making informed decisions about their career paths.

METHODOLOGY	The methodology of the webinar involves inviting an alumna to engage with students and share her career experiences and life stories. This interactive session aims to provide students with insights into the professional world and inspire them through real-life narratives. The alumna's journey, challenges, and achievements will be discussed, offering valuable lessons and guidance to the students. The webinar includes a structured interview or presentation followed by a Q&A session, allowing for meaningful interaction and the exchange of ideas. This approach seeks to bridge the gap between academic learning and practical knowledge, empowering students to make informed decisions about their own career paths.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	Ms. Sonam Midha (SVC Alumni) Bsc. Botany Hons. An investment banker in the largest custodian Bank in the world.
OUTCOMES	<ul style="list-style-type: none"> • All the attendees gained insights about various career opportunities available for botany graduates, highlighting the methods of pursuing higher education in fields other than botany. • discussed the skills and knowledge required to excel in the field, and shared personal experiences and success stories. • provide a platform for networking and connecting with other botany graduates and professionals in the field. • Also provide students knowledge of fellowships

Activity Report

Webinar on Career Options after Bachelors in Botany: A Pathway to Diverse Opportunities

The "Webinar on Career Options after Bachelors in Botany," held on 27th January 2024 via Google Meet, provided invaluable insights into the diverse professional avenues available to botany graduates. The students joined from B. Sc. H. Botany and B. Sc. Prog. Lifesciences across all the three years. Hosted by Archiya Kumari, the event commenced with a warm welcome to the principal, teachers, and esteemed guests, setting the stage for an enlightening discourse.

Saraswati Vandana and Message by the Principal

The principal, Prof. K Chandramani Singh, delivered a motivating speech, emphasising the myriad opportunities awaiting botany graduates in the professional realm. This was followed by a soul-soothing rendition of Saraswati Vandana, adding a touch of tranquillity to the event.

Message by the Teacher-in-charge

Prof. Shukla Saluja, the teacher in charge of the Department of Botany, shared a thoughtful message, shedding light on the expansive fields open to botany graduates. The highlight of the webinar was the address by the guest speaker, Ms. Sonam Midha, an alumna of Sri Venkateswara College, who, after pursuing B. Sc. Hons. Botany carved a successful career as an investment banker in Japan. Ms. Midha's journey served as a testament to the diverse paths available post-botany graduation, including opportunities for international exposure.

Journey of Ms. Sonam Midha

Sonam Midha, a trailblazing alumna hailing from Haryana, embarked on a remarkable journey as the first member of her family to pursue studies abroad. Overcoming initial language barriers, she honed her English skills through voracious reading during her tenure at Delhi University. Following her graduation with a B.Sc. Hons. in Botany from Sri Venkateswara College, Sonam ventured into the professional world, initially working as a book reviewer and content writer.

Her path was fraught with challenges, including a debilitating shoulder injury, dietary adjustments as a vegetarian, and the inherent struggles of acclimating to a new culture and language. Despite these obstacles, Sonam's perseverance and resilience propelled her towards unprecedented success.

After an arduous job search, Sonam secured an internship with the United Nations, marking a pivotal milestone in her career. Subsequently, she attained permanent positions in the car manufacturing industry in Tokyo and in an investment bank in Fukuoka, Japan. Her professional sojourn in Japan revealed a conducive working environment, offering ample opportunities for growth, learning, and travel.

Sonam's journey exemplifies the tenacity and adaptability required to surmount formidable odds and thrive in a foreign professional landscape. Her experiences serve as a testament to the boundless possibilities available to those willing to embrace new horizons and persist in the pursuit of their aspirations.

Question and Answer Session

The interactive question and answer session, moderated by Prarthna Jain, president of the departmental society of botany, the Involucre, provided a platform for students to gain valuable insights from Ms. Midha, addressing queries and concerns effectively.

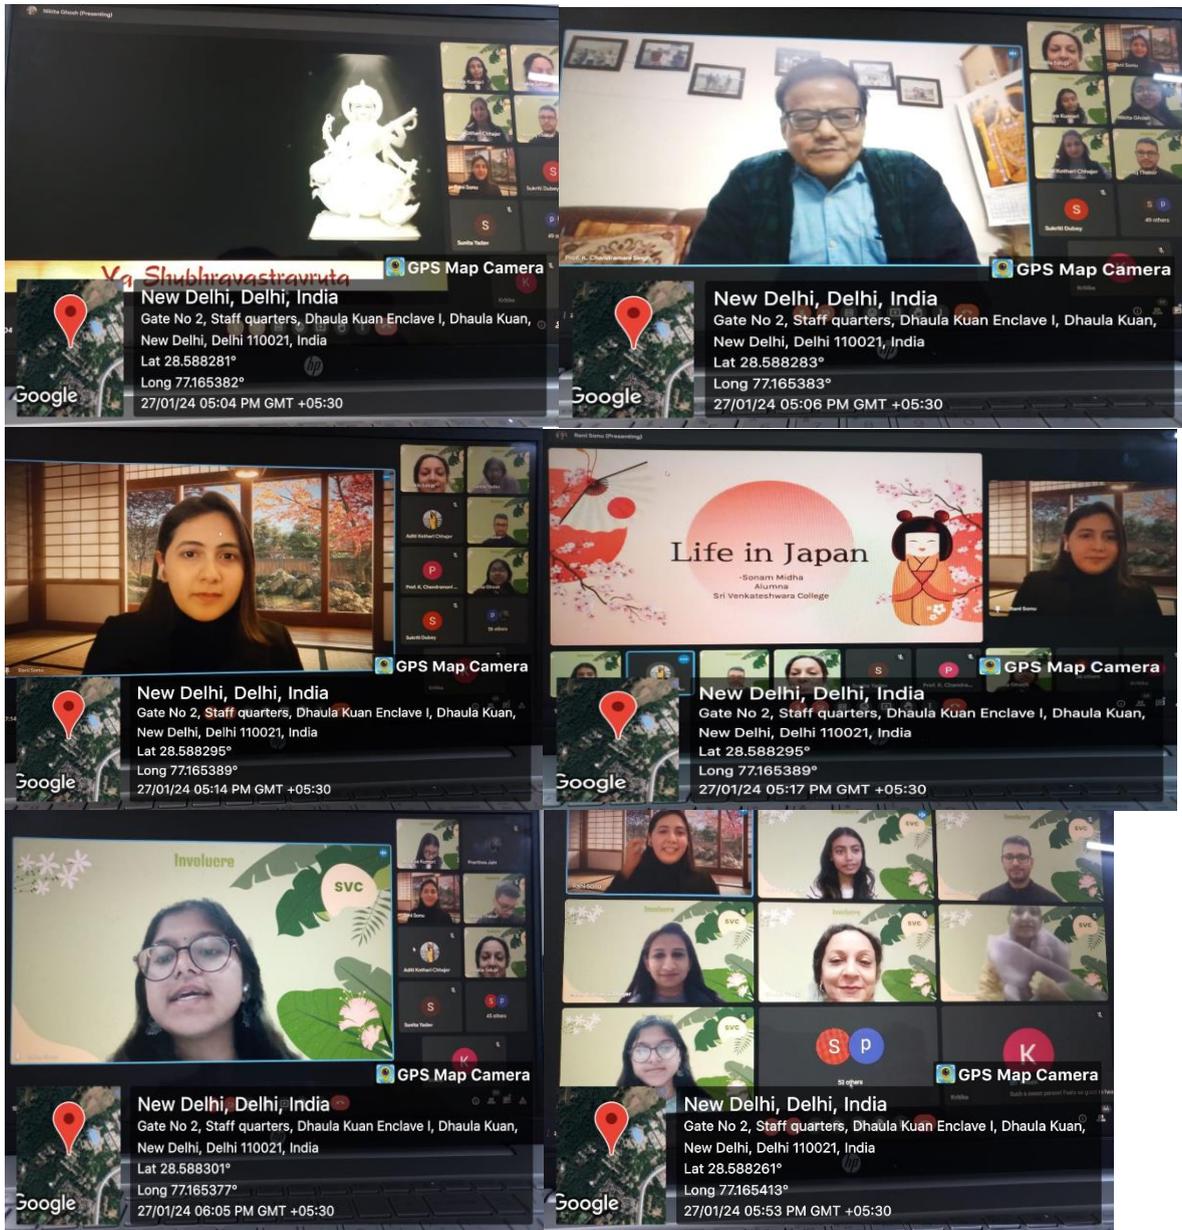

Vote of Thanks

In closing, Nikita Ghosh delivered a gracious vote of thanks, expressing gratitude to the speakers and participants for their valuable contributions. The webinar concluded, leaving the attendees with a comprehensive understanding of the myriad career prospects awaiting graduates with a background in botany.

Conclusion

The event served as a beacon of guidance, illuminating the diverse professional trajectories available to botany graduates, and inspiring the next generation of botanists to embark on a journey of exploration and growth.
