Criterion IV	Learning Resources and Infrastructure		

ACTIVITY REPORT

The Teacher's Day celebration, organized by the students of the Botany Department, was held on 5th September with great enthusiasm and admiration for our beloved teachers. The event was a heartfelt tribute to the dedication, patience, and guidance that teachers extend to their students. Hosted eloquently by Kashish and Grace, the day was filled with excitement, gratitude, and moments of togetherness.

The program began with a unique and exciting ramp walk by the teachers. Walking confidently to upbeat and dashing songs, the teachers showcased not only their charm but also their vibrant personalities. This creative beginning set a cheerful tone for the rest of the day.

Following this, the audience was treated to a soulful welcome song by Pooja, whose melodious voice created a warm and uplifting atmosphere. The cultural segment continued with mesmerizing singing performances by Suhani, Kritika, and Gauri. Their melodious renditions left the audience spellbound and added a celebratory spirit to the event. Additionally, Rishika and Nikita performed a stunning classical dance, which highlighted the richness of tradition and grace, earning rounds of applause from everyone present. This was then followed by a cake cutting ceremony leaving an instilled taste of sweetness in both the palate and the memories.

Cake cutting ceremony

The students of the Botany Department also prepared special gestures to express their gratitude. Thoughtful gifts were presented to the teachers as tokens of appreciation. Alongside this, heartfelt handwritten letters were distributed, which captured the love and respect the students hold for their mentors. These personalized messages brought smiles and, in some cases, tears of joy to the faces of the teachers.

Presenting faculties with gifts and letters

To add an element of fun and engagement, several activities were organized. A lively game of dumb charades had everyone laughing and participating enthusiastically. The highlight of the celebration was the DJ session that followed, where both teachers and students danced together, breaking all formal barriers and celebrating the joyous occasion.

The program concluded with refreshments served to all 67 attendees, ensuring everyone left with a happy heart and cherished memories and a group photograph. The collaborative efforts of the Botany Department students were evident in the seamless organization and the warm atmosphere they created. It was a perfect reflection of respect, love, and admiration, making it a day to remember for everyone involved.
