EVENT REPORT

NAME OF THE EVENT: Inaugural Lecture for RASAGYA: The Chemical Society			
DATE	DEPARTMENT	COMMITTEE/SOCIETY	COORDINATORS' NAME
30-09-2022	CHEMISTRY	The Chemical Society	Prof. Sharda Pasricha
TIME	VENUE	NUMBER OF PARTICIPANTS	NATURE: Outdoor/Indoor; online/offline/hybrid
10:00 am -11:30 am	Room No. 57	163	Indoor, Offline
FINANCIAL SUPPORT/ASSISTANCE (if any):	Chemical Society Fund		

BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Inaugural Lecture on “The Science of COVID 19 and beyond the pandemic”
OBJECTIVES	The idea behind organising the seminar was two-fold, firstly to expose students to the current scenario of scientific research on viruses and role of viruses in other diseases like COVID 19, Monkey pox and Zika virus etc. and secondly to inform students how Chemistry-Biology synergy can provide a viable career opportunity for future.
METHODOLOGY	PowerPoint presentation, Question-answer session, interaction with the guest speaker.
INVITED SPEAKERS WITH AFFLIATION DETAILS (IF ANY)	Prof. V. S. Chauhan Chancellor, GITAM, Visakhapatnam & Distinguished Professor at IOE, University of Delhi
OUTCOMES	Students got an opportunity to interact with the eminent scientist and learn more about the types of viruses, how they invade human body, modus operandi of viral vaccine, current scenario of research on viruses and the role of Chemistry therein. Valuable insights were also provided by the speaker on how science should progress hand in hand with nature and not at the cost of taking a toll on the other inhabitants of our planet.

Criterion IV	Learning Resources and Infrastructure		

REPORT

Rasagya, the Chemical Society, of Sri Venkateswara College organised its Inaugural lecture on the 30th of September 2022. Padma Shri awardee Prof. V.S. Chauhan was the guest speaker. The function commenced with the ceremonial lighting of lamp by Prof. V.S. Chauhan (our Chief Guest), Prof. Sharda Pasricha (Convener, Chemical Society), Ms. Mouli Srivastava (President, Chemical Society) and other faculty members of Chemistry Department. Saraswati Vandana was performed to seek the blessings of Maa Saraswati. Next, the Chief Guest was presented with a College memento and a sapling by the faculty members as a token of their appreciation and gratitude. Prof. Sharda Pasricha delivered the welcome address and also whole-heartedly thanked all the faculty members and students for their active contributions in making the event a success. Dr. Vibha Saxena introduced the speaker to the audience and welcomed him on the stage for the lecture.

Prof. Chauhan started by stating the purpose of the lecture and sensitized the audience about different types viruses, bacteria, their basic structure and morphology, their origin, effect on other living beings, and the possible harms caused by them. He also explained in detail how a virus grows, attacks the host, the effect of virus on mankind and how humans have evolved through times, experiencing multiple pandemics. He stated that, “Virus is the greatest ancestor of all living forms.”

The speaker also explained how technology has advanced and why Covid-19 vaccines have been the fastest ever to be developed so far and was administered to humans within a record time of 63 days from discovery. He also explained the life cycle of a virus, how it mutates and jumps from animals to humans. He talked about multiple viruses like Covid-19, MERS, Monkeypox, Spanish flu, HIV, etc. in his lecture. He cautioned human race against invading the animal habitat and stressed that Human-animal interaction was main cause of the rise in newer species of deadly micro-organisms. He also cleared some common myths revolving around Covid-19 and its origin.

Towards the end, he gave inspiring notes for motivating the young minds towards scientific temperament, and closed his lecture on a very positive note saying “Science should work constructively with the nature and research and progress should not be made at the cost of other forms of life.”

A final vote of thanks was delivered by Ms. Mouli Srivastava, for a formal closing to the program.

Permission Letter:

PERMISSION FOR ORGANIZATION OF EVENTS

NOTE: 1. Please ensure that the completion certificate of the event is physically signed by the Convener of the event, IQAC Coordinator and Principal after the event report is made.
2. Please ensure a pre booking of the venue before getting the permission letter signed.
3. A copy of this duly filled form signed by the TIC/ Convener and Principal shall be submitted to ICT, Caretaker, IQAC Coordinator, Dr. Arpita Kaul for commerce, NSS, NCC, Placement and Sports events, Dr. Neelesh for humanities events, Dr. P. Jayaraj for sciences events.(mails mentioned in SOP)

EVENT DETAILS

1. Name of the Department/Society /Association: **CHEMISTRY**
2. Name of the TIC/Convener (if any): Prof./Dr./Mr./Ms. **SHARDA PASRICHA**
3. Nature of Event: Seminar/Conference/Symposium/Workshop/FDP/Public or community outreach/ skill enhancement/others... **SEMINAR**
4. Participants: Student-centric /Faculty/Both
5. Event Type: Offline/Online/Hybrid: Indoor Outdoor
6. Collaborating Agency /Organization: **NA**
7. Proposed Title of the Event: **Inaugural Lecture for Rasagya: The Chemical Society**
8. Tentative List of Speakers with affiliations: **Prof. V. S. Chauhan (Padam Shri Awardee) Chancellor of GITAM University (Vishakhapatnam) & Distinguished Professor at IOE, DU**
9. Date, Time from to : **30/9/2022, 10am - 12 noon**
10. Financial Assistance/ Funding received (if any) **Chemical Society fund**
11. Proposed Budget (please attach details in a separate enclosure): **Attached.**
12. Faculty responsible for Geo Tagged Pictures **Dr. Pragya Gahel**
13. Faculty responsible for Event Report **Dr. Vinita Kapoor**
14. ICT support required, if any (ICT Lab, Laptop, LCD projector) **Pointer, Projector cable (VGA), Laptop**

15. Caretaker support required (tables, chairs, public addressing system, sanitation, manpower assistance), **Lamp, Memento**
16. Room requirement (Seminar/ any other) **57**
