REPORT

Rasagya, the Chemical Society, of Sri Venkateswara College organised the Society Orientation on the 24th of January 2023 for the 1st year Chemistry Hons. Students from 11:45 am -12:45 pm in Room No. 331 in an Indoor, Offline format. The orientation session started with Prof. Sharda Pasricha introducing the society and its various activities throughout the year, to the freshers.

The idea behind organising the orientation was to give the first-year chemistry students a glimpse of their departmental society, and its activities throughout the year.

The Main Aims of the Society are:

- Developing young and skilled scientists for the growth of Modern Science.
- Imparting knowledge about recent developments in the field of Chemistry through various Invited Lectures by Eminent Scientists
- Increasing the liking towards the subject among students.
- Creating scientific temperament towards research and innovation.

A Power point presentation was given by Chemical Society Student members followed by Prof. Sharda Pasricha (Teacher-in-charge) explaining to the students the functioning of the society, about its events, annual fest, seminars, and webinars, etc. Thereafter Dr. Vinita Kapoor oriented the students about the Chemistry Department Magazine, Abhigya and encouraged them to participate actively in the various activities of department. She also invited articles, fun facts, quizzes etc. from students for the Annual magazine. This was followed by open interaction between President Chemical Society, Ms. Mouli (student of 3rd year Chemistry Hons.) and the curious 1st year students. Students were enthusiastic in their interactions with their seniors and teachers and participated actively in the activity.
