ACTIVITY REPORT WITH PICTURES

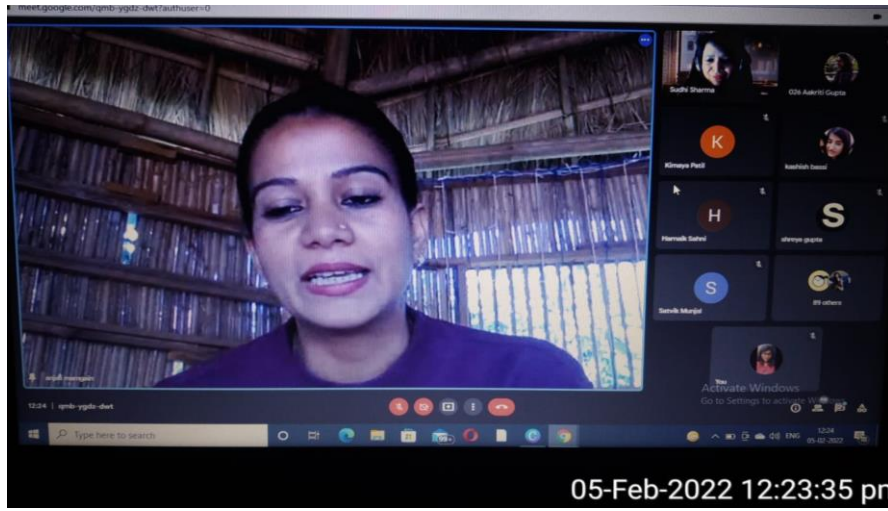

The Webinar was held in association with Fortune Institute of International Business. Out of suggested topics, we chose cryptocurrency as the theme. The CMO of upcoming stock exchange explained the concept of blockchain technology from the scratch and then moved on to emerging crypto trends, efficiency of blockchain technology, popularity, exchanges, volume of trade, time-series analysis of various cryptos, some beginners' guide and tips to investing in crypto market, tools of analysis available on trading platforms, future of crypto-world, new tax regime on digital assets, concept of metaverse etc.

This was followed by Q and A round at the end wherein students asked intriguing questions to the speakers relevant to the theme of webinar. Finally, it was culminated with vote of thanks from Team Blue Chip.

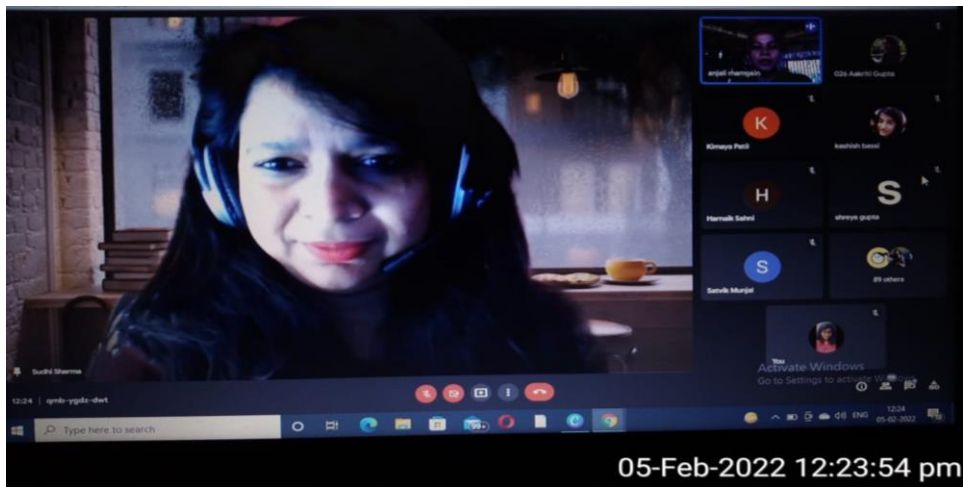

Following are the pictures of the session:
