ACTIVITY REPORT

The All the participants were provided 45 minutes to solve clues in order to reach the final answer. Clues ranged from GK questions, to problems required t be solved with excel, to analysing financial statements for clues. The participants had to get back to the treasure master with the final answer, a code that opened a document. The clues were invigorating, and tricky. The entire event was conducted and coordinated on Scenes by Avalon app and WhatsApp. The participants were able to improve their problem solving and analytical skills, in a creative fun and competitive environment. They were also able to gain information about financial fields that they were previously unaware about. The person to reach the answer first was declared as the winner.
