REPORT

Webinar on Intellectual Property Rights

Name of the event: Webinar on Intellectual Property Rights

Date: 21st January, 2022

Platform: Google Meet

Webinar Link: https://meet.google.com/mke-zvwf-fiy

Guest speaker details: Dr. Usha Rao, Associate Controller of Patents and Designs, Intellectual Property Office, Delhi Ministry of Commerce

A webinar was organized by The Commerce Association of Sri Venkateswara College on IPR Awareness (Under National Intellectual Property Awareness Mission) on 21st January, 2021 at 4pm. We had a total registration of about 80 students. We had students from all three years, pursuing different courses like, B.Com (P), B.Com (H), Economics (H), BBA, MA Pol Science and BA Sanskrit (H). Maximum participation was from B.Com (P) with 50% (approx) and B.Com (H) with 37% (approx).

Ms Mannat Arora and Ms. Ria saxena anchored the session. They started the session explaining the meaning of Intellectual Property Rights and how they are vital for everyone to know. Mrs. Mohini Yadav, convener, addressed the participants. She expressed her gratitude and explained what ComSoc is all about and the events conducted by the society since July 2021. Next, Dr. Shruti Mathur, teacher-in-charge of commerce department, highlighted a few dimensions of our commerce department, threw light on the importance of such events. In her address, she commented on the importance of giving back to the community through social outreach programs.

The anchors then invited Vice Principal Sir, Dr. S. Venkata Kumar, to share his thoughts. He talked about the importance of inventions and how people trust and protect tangible more than intangible things. He shared his wisdom and said that everything in this world can be stolen, except your intelligence. He further talked about how it is essential for everyone to know their intellectual property rights and how to register, what can be registered, time taken for registration etc. He ended by saying that one can be unstoppable if they have a valuable IPR.

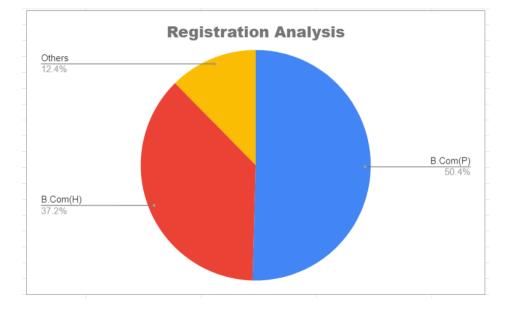

Dr. Usha Rao, the speaker of the session started the presentation. She explained the two types of propertytangible and intangible. She then continued to explain what was meant by Intellectual Property (IP) which refers to creations of the mind. She enlightened students about the benefits of IP Protection to the economy, consumers and companies. Students got to know about the website where all IP applications were filed, "www.ipindia.nic.in".

Furthermore, Dr Usha Rao talked about patents and how IP is used in everyday life. She discussed various famous patents and their inventions/inventors. She further explained the patent application filing procedure in detail, involving the forms to be filled, fees to be paid, and the several rules that need to be kept in mind during the procedure.

Dr Usha Rao, then, commenced the discussion on Designs, Trademarks, and Copyrights and their filing procedure. It was an interactive discussion which was concluded with a small guiz where students participated with utmost enthusiasm. They were asked several questions based on what they had learnt so far.

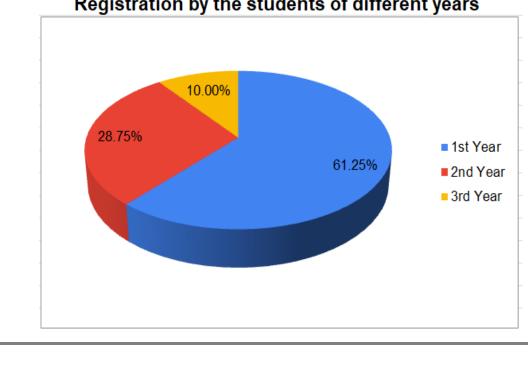

The session ended with a vote of thanks by Ms. Ria Saxena.

The webinar was a huge success. 40% participants rated the webinar 10 out of 10. Approximately 53% participants found the webinar "extremely informative" and approximately 58% participants were "very satisfied" with the same.
