ACTIVITY REPORT

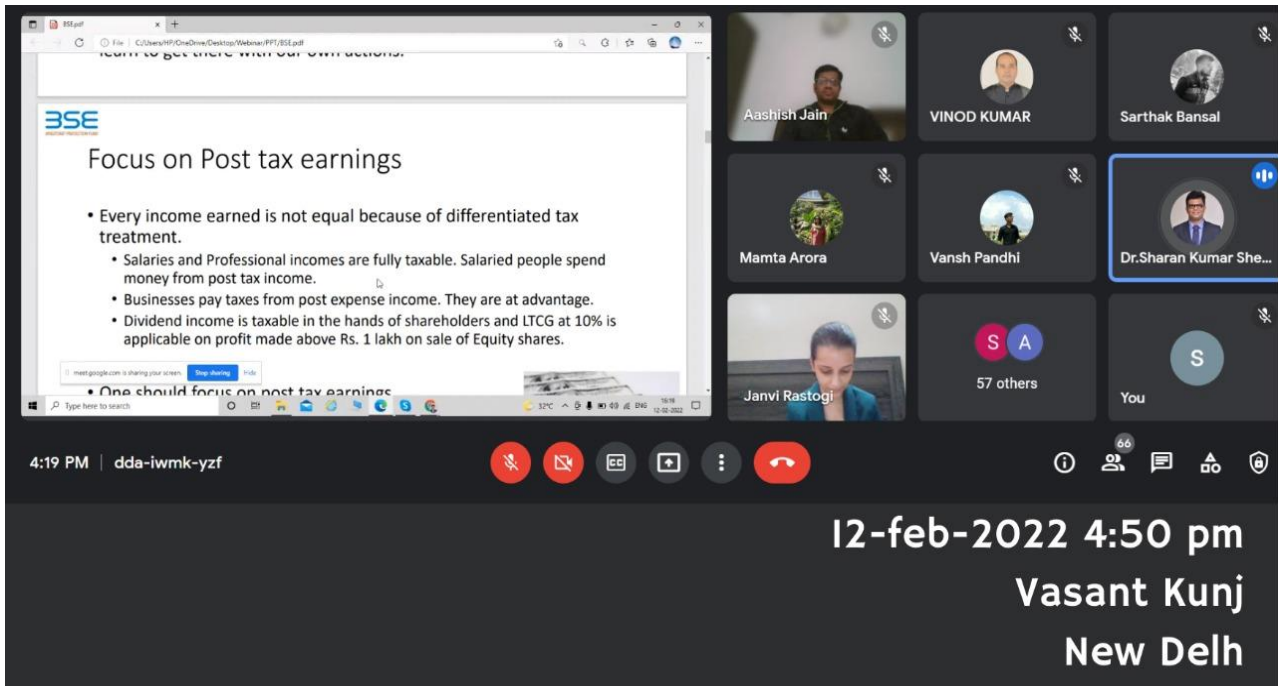

The webinar was held on the topic “Roadmap to Personal Finance Management”. We deliberately thought on a multitude of topics, but personal finance seemed of prime importance. Dr. Sharan Kumar Shetty shed light on important money concepts such as income, spending, savings, investing, and protection. To make the webinar more fruitful, the speaker suggested key books on personal finance. Jargon such as budgeting, banking, insurance, mortgages, investments, retirement planning, and tax and estate planning were also explained.

This was followed by Q and A round at the end wherein students asked intriguing questions to the speakers relevant to the theme of the webinar. Finally, it culminated with a vote of thanks from Team Blue Chip.

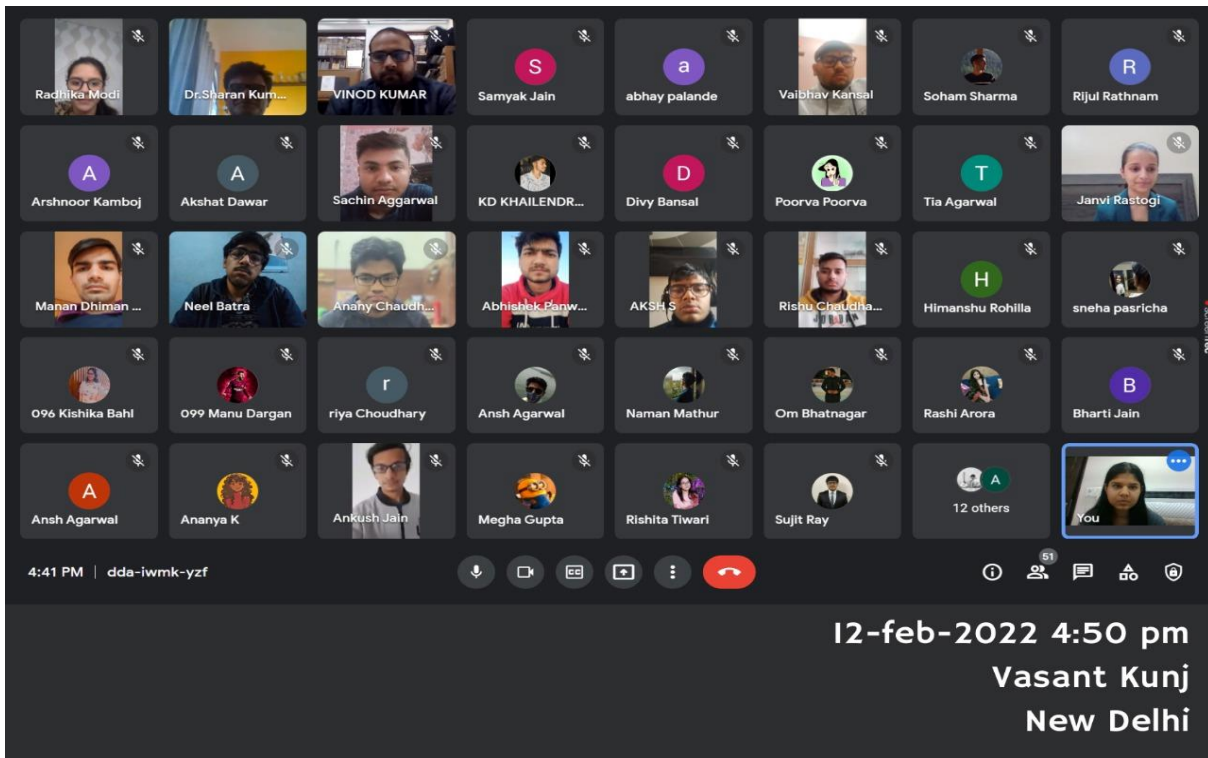

Following are the pictures of the session:
