Football Auction

NAME OF THE EVENT: FOOTBALL AUCTION, CONSORTIUM 2022

DATE: 12th - 13th March, 2022

DEPARTMENT: Commerce

VENUE: Google Meet

LINK: https://meet.google.com/ifr-gajs-iog

NUMBER OF PARTICIPANTS: 239

DAY 1

The event began on 12th March 2022 with the prelims, where the registered teams had to attempt a quiz. 16 of the teams who attempted the quiz with the most correct answers in the least amount of time were taken to the next round. The results were collectively calculated by the event head and members.

The 16 teams which were shortlisted were invited to a zoom call where they were first familiarised with the rules and regulations for the 2nd round wherein 8 football clubs were auctioned to the players and each team needed to own a club to move to round 3. The clubs were auctioned to all the players. Each team had a budget of 20 Crores. Silent bidding was followed where everyone had to send their bids as a personal message to the event head. The clubs were sold to the players with the highest and the most unique bid. The football clubs were Manchester United, Liverpool, Chelsea, Borussia Dortmund, PSG, Bayern Munich, Barcelona and Real Madrid and each team had 4 pre-determined players already included in the club. The 8 teams that managed to get a football club moved on to the next round which was conducted on day 2.

DAY 2

Day 2 started with the last and final round where 79 players were auctioned, and each team needed 7 players in order to complete their team. Here the teams had to raise their hands to bid for a player and the two teams which were seen by the auctioneer first were selected and the teams had to try to outbid each other in order to get the player being presented. Each team had a budget of 50 Crores, so it was important to spend wisely. At the end of round 3 it was observed that 3 clubs were not able to get 7 players and were not able to complete their club. For this another round was conducted where 3 players were reauctioned and the teams were given another chance to complete their football clubs.

After this round the winners were finally announced and Borussia Dortmund was declared the winner. Liverpool and Barcelona finished second and third respectively.

Brandish Bandits

NAME OF THE EVENT: BRANDISH BANDITS, CONSORTIUM 2022

DATE: 13th march, 2022

DEPARTMENT: Commerce

VENUE: Google Meet

**LINK:** https://meet.google.com/fqv-ovcv-usi

NUMBER OF PARTICIPANTS: 98

Brandish Bandits, the third event of Consortium- the annual fest of Commerce Society of Sri Venkateswara College, was held on 13th March 2022. The event started with an interesting marketing related quiz and participants were given 20 minutes to solve it. The quiz ended at 1:20 PM and all the qualifying participants were promoted to the next round. 12 teams qualified for the same.

The next round, that is the auction, began with various FMCG brands being randomly distributed to all the qualifying teams through a spinning wheel. Subsequently, brand auction was commenced. Many brands belonging to a wide variety of industries were auctioned. Teams took upon themselves to dare and bid judiciously on the brands of their interest. Brands like Amazon, PVR Cinemas and Bumble were a tough fight with teams bidding numbers as high as 82,000. On the other hand, Nykaa, Boat, OYO, Spotify, BYJU's Mastercard and Archies went unsold. Once teams had chosen and auctioned for the brands of their choice, marketing strategies were next in line. For this, teams did silent bidding and the 5 significant marketing strategies were allotted respectively. With brand collabs and marketing strategies now allotted to each team, they further had to come up with a marketing pitch. Each tram prepared a presentation proposing their creative ideas to the hosts.

The winning team had the brands Uber and Barbecue Nation and their marketing strategy was event planning. They bagged the award with their mind-blowing ideas and scored a whopping 88 out of 100, whereas the first runner-up scored 83, the second runner-up 81. The response and feedback of the whole event was overwhelming. Kudos to the Comsoc team for hosting such an interactive session and to all the participants for their creative output.
