REPORT OF THE “CAREER FAIR”

The Extension Society, Department of Commerce, Sri Venkateswara College, University of Delhi organised a "Career Fair" on January 29th, 2023 (Monday) in the front lawn in collaboration with Fundvertise. Students from different departments of our college showed great participation.

The Career Fair began with great enthusiasm and anticipation. Students eagerly gathered to explore the wide range of opportunities offered by the participating universities. Over more than five universities from US, UK, CANADA and AUSTRALIA participated this year in the premises of the college. Representatives from each university set up their booths, ready to engage with students and provide valuable information about their programs. It was an exciting start to a day filled with learning, networking and future possibilities.

With the participation of universities from various locations, offering students a diverse selection of academic programs and opportunities. Students had the chance to connect with representatives from the universities, allowing them to gather information, ask questions, and explore other relevant information. The students had the opportunity to have individual conversations with university representatives, enabling them to address specific concerns and get personalized guidance.

The representatives provided students with brochures, pamphlets, and other materials from each university, allowing them to review the information at their own pace. We collected feedback from students who attended the fair, and the response was overwhelmingly positive. They appreciated the opportunity to interact with multiple universities at one place.

Overall, the career fair with over 10 universities was a resounding success, providing students with valuable insights, networking opportunities, and resources to make informed decisions about their future educational journeys. It was an exciting and enriching event for everyone involved.
