REPORT OF THE “FOOD DISTRIBUTION DRIVE”

The Extension Society, Department of Commerce, Sri Venkateswara College, University of Delhi organised a "Food Distribution Drive" on October 2nd, 2023 (Monday) in a slum area near Kirti Nagar in collaboration with Swapna Foundation. Students from the department of commerce showed great participation. The faculty team consisted of Dr. Devendra Malapatti and Dr. P. Chengalrayulu (member teachers) from the Department of Commerce, SVC.

The drive began with introductions from everyone involved, including Team Extension, Team Swapna, and all the children in the slum area. The teams and the children introduced themselves to each other, making it a fun and interactive experience. It allowed us to get to know each other better. After the introductions, the children in the slum area brought even more joy to the event by singing and dancing. Their enthusiasm and talents brightened up the day.

The drive was volunteered by 8+2 attendees in total from Team Extension. And as the day progressed, we distributed food and essential supplies to the children and residents of the slum area. Our teachers, Dr. Devendra Malapatti and Dr. P. Chengalrayulu, motivated and congratulated the society for initiating steps that bring about a change and make a difference in the community. Their encouraging words served as a source of inspiration for all of us.

The children were filled with happiness and their smiles and gratitude were heartwarming and a testament to the impact of such initiatives. We look forward to continuing our efforts to make a positive difference in the lives of those in need and fostering meaningful connections within our community.

Due to unavoidable circumstances, Dr. Sindhumani Bag (Convener) and a few faculty members could not be present during the drive. Nevertheless, the drive concluded successfully with the efforts of all involved who ensured smooth and efficient execution.
