The drive was volunteered by 38 students in total from Team Extension. Milk was distributed to the children and residents of the slum area to enhance the overall health and well-being of the community. The smiles on their served as a motivating and heartwarming affirmation of the drive's positive impact on the community which also served as a source of inspiration for all of us. The generous financial support by Aldaa Foundation played a pivotal role in ensuring the success of the milk drive, benefiting the community at large.

The children and their families were filled with happiness and their smiles and gratitude were heartwarming and a testament to the impact of such initiatives. The children in the slum area brought even more joy with their enthusiasm, which ultimately brightened up the day. We look forward to continuing our efforts to make a positive difference in the lives of those in need and fostering meaningful connections within our community.
