## Activity Report

The Economics Association organized a Symposium on 'Growth and Sectoral Trends in Indian Economy' in memory of our late colleague Dr Shailaja Thakur. The event was inaugurated by Prof Mausumi Das who gave the keynote address on the topic, "Moving beyond Technology: Some Deeper Determinants of Growth". Her insightful lecture was followed by an interactive session wherein the students cleared their doubts by asking questions related to the topic.

This was followed by a refreshing and engaging panel discussion by an excellent set of speakers and scholars who helped students get a better insight into the world of Economics. The session was chaired by Prof Amit Shovan Ray, the PhD supervisor of our late colleague, who graciously agreed to be the moderator of the Panel Discussion. The other participants were as follows:

1. Prof Parthapratim Pal from IIM, Kolkata. He spoke on the topic "Trade and capital flows".
2. Dr Shubhanil Chowdhury from IDS, Kolkata. He spoke on the topic "Labour and Unorganised Sector".
3. Dr M. Parameswaran from Center for Development Studies, Thiruvananthapuram. He spoke on the topic "Growth Trends".
4. Dr Rajib Sutradhar from Christ University, Bengaluru. He spoke on the topic "Agriculture and Rural Credit".

All the participants gave brief lectures. This was followed by a general discussion wherein the students were allowed to ask their questions. The students were very energetic and eager to ask their questions and actively participated in this part. Overall, the symposium was a success and left the students with a heightened understanding of issues of contemporary importance.
