The Economics Association, Sri Venkateswara College organised its third session of the Alumni Inspire series 2021-22 on 13th November 2021.

Our first speaker was Ms. Shweta Gupta who graduated from Sri Venkateswara College in 2007. Since then she has gained immense knowledge with 12 years of experience in the corporate world. Determined to enter a business school, she pursued an MBA from XLRI, Jamshedpur and landed her first professional experience with P&G in Singapore.

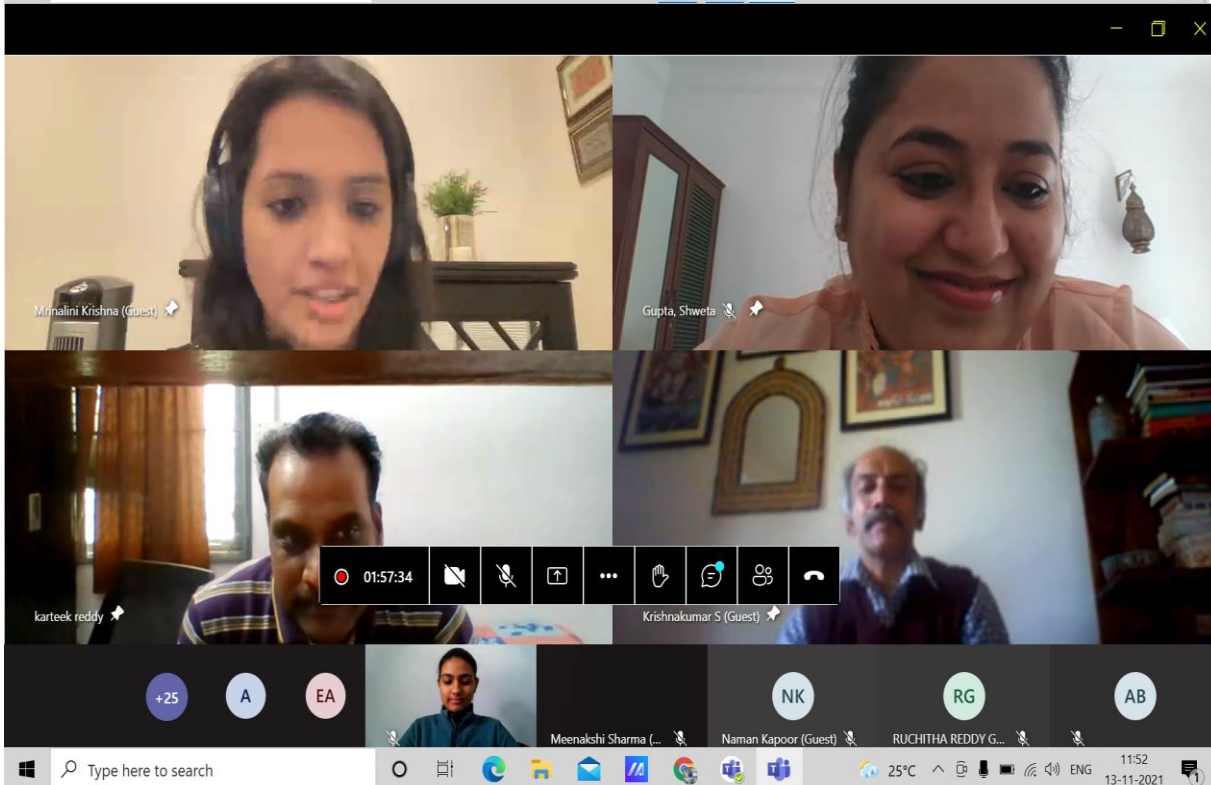

She shared her tips for success that she picked from the highly diverse, global and matrixed environments she had worked in over the years - gaining credibility by pushing your limits, being ambitious and strong in your beliefs, and not being afraid to be different.

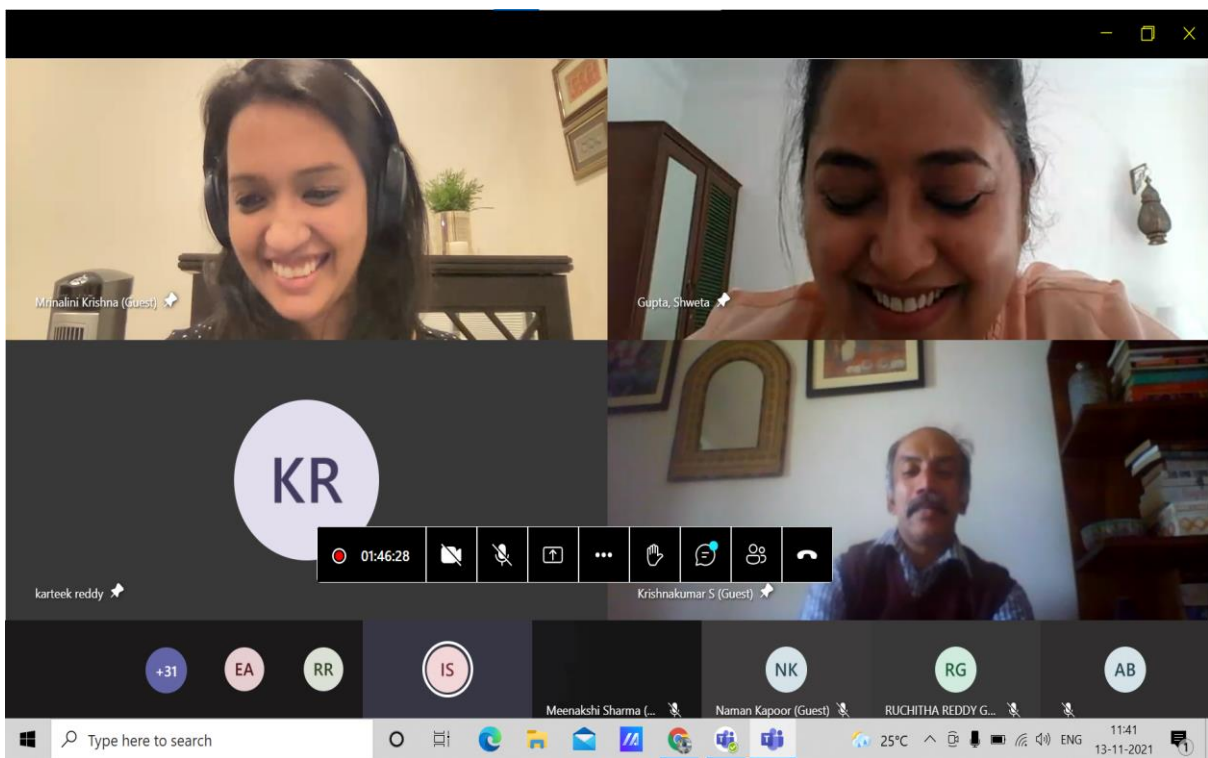

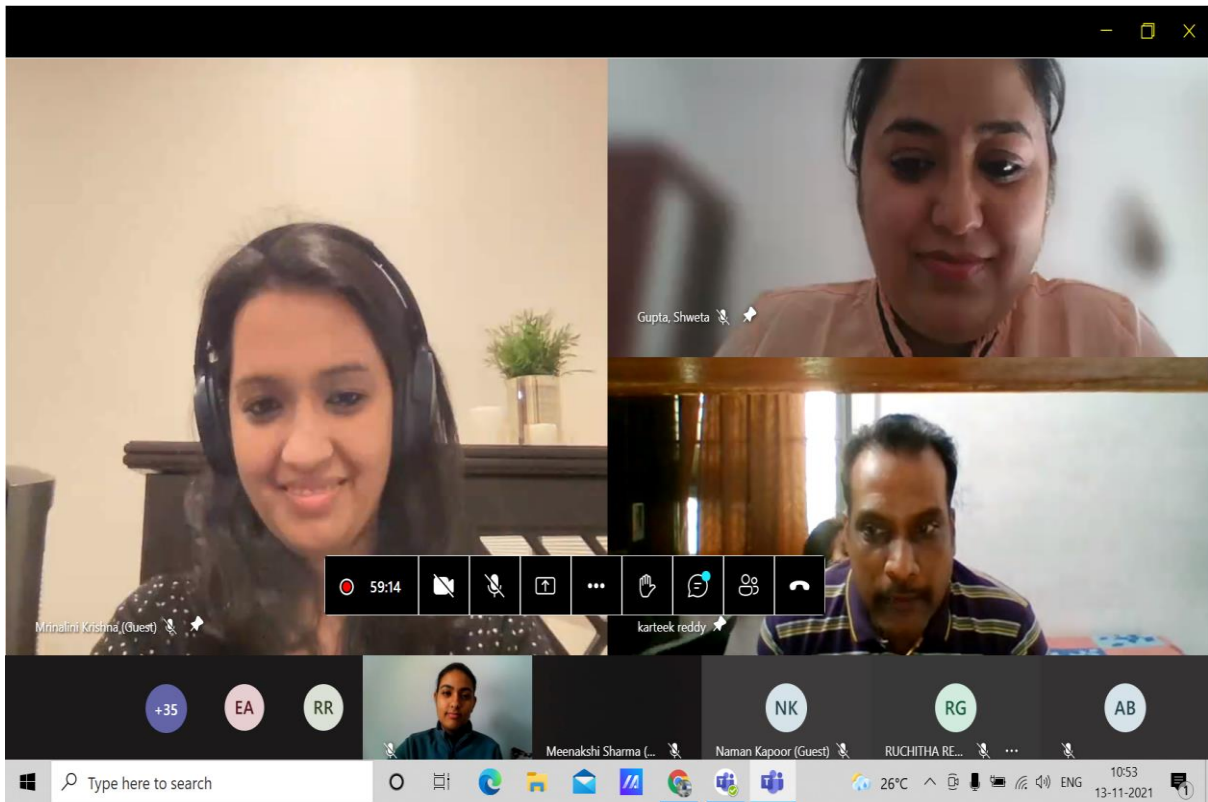

Our second speaker was Ms. Mrinalini, Senior Investing Editor at a New York-based personal finance website. After graduating from Sri Venkateswara College, she went on to pursue Masters in Journalism at Symbiosis, Pune and worked as a journalist for 10 years in India. Later, she took a year off and pursued an MBA from New York University.

She spoke about her life at Venky, her time at the RBI where she worked with the then Governor Raghuram Rajan, and the lessons she has learnt over the years. She further explained how an understanding of economics helps her in observing and understanding different patterns in both the economy as well as the world in general. Later, she answered some questions regarding future career prospects for the students.

The session concluded after our faculty, Krishna Kumar sir and Brahma Reddy Sir, reminisced the days spent in college with the alumni. It was an insightful session and a great learning experience for all attendees.
