Workshop on “Introduction to R for Statistics and Basic Econometrics”

The Department of Economics is organizing a workshop on: **“Introduction to R for Statistics and Basic Econometrics”**.

The course will consist of a series of 5 sessions to be conducted from 6th February to 6^h March 2017. Each session will be of approximately two hours duration. In addition, students will be required to submit assignments after each session and a project at the end of the course.

The prerequisite to register for the course is a good understanding of statistics completed in semesters III and IV and introductory econometrics introduced in semester IV.

The course is open to IV semester students of BA(Hons) Economics. Students who want to enroll for the workshop can register. For details contact:
