The event “Company Conceivers” was introduced by Mr. Kanishak.

In this event all the participants had to first think their imaginary Company and had to design a logo for that. Along with designing of the logo they had to give a short 2-4 lines description, explaining how they come up with that idea, and what their Logo describes about the Company. The Logo was to be designed on paper, graphically or on any computer program/ software.

Purpose:
