Summary Report

The Department of Electronics, Sri Venkateswara College organized a Skill Enhancement Program “Recent Trends in IOT and Their Tools for Application” on 21st February 2022. The program started at 2:00 PM. The introduction of the event and speaker, Mr Ashutosh, COO of Starbru Techstystems was given by Mr. Satvik Vashishtha, final year student of B.Sc.(H) Electronics . Then the convenor, Dr. Sunita Jain expressed her gratitude towards the speaker and appreciated the effort of Ms. Shubhra Gupta and Dr. Rakhi Narang, the co-convenors of the event. The event was attended by around 65 participants, which included students and faculty members from Delhi University.

An expert from the field elucidated and demonstrated some practical skills on the topic ‘Internet of Things’. From history of IOT to present and future everything was explained in a very crisp and simple manner. Some mobile application that can be used by students to play with IOT and get a better understanding were demonstrated. Students had an informative and enthralling session. They came up with inquisitive questions which were promptly answered by the speaker.
