SUMMARY

The Department of Electronics organised a fascinating quiz on February 2, 2024. It was titled “Tech Rizz Quiz”, with an underlying theme of Science & Technology. It was open to all students of the Electronics Department. Participants were allowed to form teams of up to 3 members. A total of 10 teams participated. The quiz was organised by passionate volunteers who had prior experience in professional quizzing. The rules and scoring system were decided in a way to allowed fair participation and competition between all teams. The questions were rigorously selected and verified for accuracy through various sources. They were presented creatively to encourage teamwork and brainstorming. A bounce-and-pounce system was followed, which gave each team an equal chance to answer and score points at every question! The quiz was conducted using a presentation, which was both displayed and read aloud by the Quizmasters. Participants were allowed to request hints and clarify their doubts concerning the questions. The quiz contained a mix of easy and difficult questions to maintain interest and activeness among the participants. A total of 15 questions were taken up, with some questions being star-marked to be used for tie-breaking if needed. The quiz saw enthusiastic participation and involvement. It was fun and entertaining for the participants as well as the organisers, the oh! moments being a sight to recall. The prize money served as a strong incentive along with the interesting nature of the theme. Ultimately, the quiz ended with one team achieving a landslide victory over the others. Overall, the quiz was well-received and had positive feedback, with suggestions to improve the number of hints given. Participants appreciated the opportunity to test their knowledge and learn new information in an engaging environment.
