## **FEEDBACK OF SESSIONS ON HISTORY AND CAREER OPTIONS-**

The sessions gave insight into new definitions of History. History being the voice of voiceless to sceptical approach of studying history. The ideas that i learned from Priyanka kale ma'am was eye opening as she explained history and language being supplementary to each other . Learning language like German will help in analysing wide resources on history. Later she gave the scope of learning transnational history that goes beyond studying country's history, visual history, career in art and aesthetics and also in museology.
