REPORT

The Department of History organised a trip to Udaipur, Rajasthan from the 22nd, February - 25th February, 2023. After reaching Udaipur, we kicked off our exploration at the majestic City Palace, a true testament to the opulent lifestyle of the Mewar rulers. The palace's intricate architecture and well-preserved artifacts offered a fascinating glimpse into the past. Students engaged in guided discussions about the political and social dynamics that shaped the region. A visit to the Fateh Sagar Lake and its surrounding monuments provided insights into the city's fortification and defensive strategies. Interactions with local artisans and a visit to the Saheliyon ki Bari, known as the Garden of Maidens, highlighted the influence of culture and art on history. Our excursion took us to the iconic Kumbhalgarh Fort, a towering symbol of Rajput valor and strategic genius. As we explored its massive walls and intricate architecture, discussions revolved around the fort's role as a defensive stronghold and its historical importance in safeguarding the region.
