➤ **Detailed report of the event:**

Trisectrix, The Mathematics Department of Sri Venkateswara College, University of Delhi, organised a virtual event to celebrate Teachers' Day 2021 on September 3, 2021 (Friday) from 11:00 am onwards on Microsoft Teams to honour and express gratitude towards all the teachers of the Department of Mathematics.

The event commenced by paying a tribute to Dr. Sarvepalli Radhakrishnan and the relevance of the occasion was explained. Further, a short talk was also presented on Ranjitsinh Disale - the winner of Global Teacher Prize 2020 - who revolutionised the education system with his idea of personalized learning in a small village of rural India and his contributions to the society were also depicted in a short video in which he explained how teachers are the changemakers of the world. Following this, a volunteer initiative started by the students, in which a few of them planted saplings as a mark of respect and a token of gratitude towards the teachers, was depicted in a collage of pictures. Moreover, in order to recognise the tremendous amount of patience and hard work that teachers devote, the students also presented certificates to them which consisted of a personalized title and a message in their admiration. The teachers also shared their kind words and mentioned that it was motivating for them to see their students valuing their dedicated efforts. This was followed by short knowledgeable lectures wherein two students presented their talks expounding the topics concerned to mathematics namely 'The Origin of Bharatiya Ganit' and 'Visualising the Consequences of the Archimedean Property' respectively, the idea behind which was to depict a reverse role in which the students were the ones to be teaching something new to the teachers. To make the celebration more interactive and fun, a game was conducted to reminisce about the good old days. It included questions related to famous bollywood movies' dialogues, songs, television advertisements, and Doordarshan shows. The active participation of the teachers kept the spirit of games alive. Also, a quiz based on famous research papers, mathematicians, etc., was also conducted which added the essence of mathematics to the whole celebration. Performance videos of the students showcasing their talents in the fields of art and dance were also presented to carry forward the zeal of celebration.

The event ended on a positive note with teachers sharing their kind thoughts and reviews. The event honoured the teachers of the department and justified the motive of celebrating teachers' day by appreciating and acknowledging the efforts and hard work of the teachers and surely forged closer the student-teacher bond.

➤ **Event Invitation:**

**THE MATHEMATICS ASSOCIATION
SRI VENKETESWARA COLLEGE
UNIVERSITY OF DELHI**

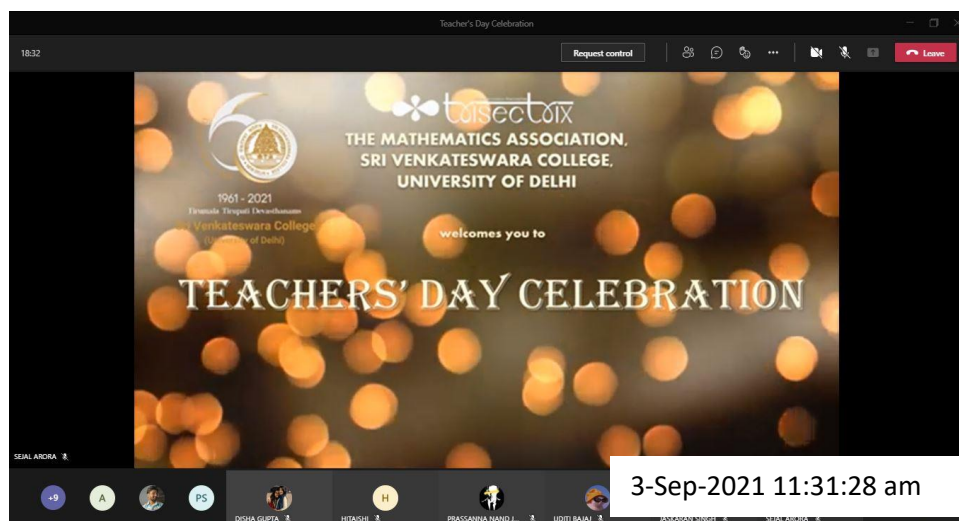

cordially invites you to

Teachers' Day Celebration

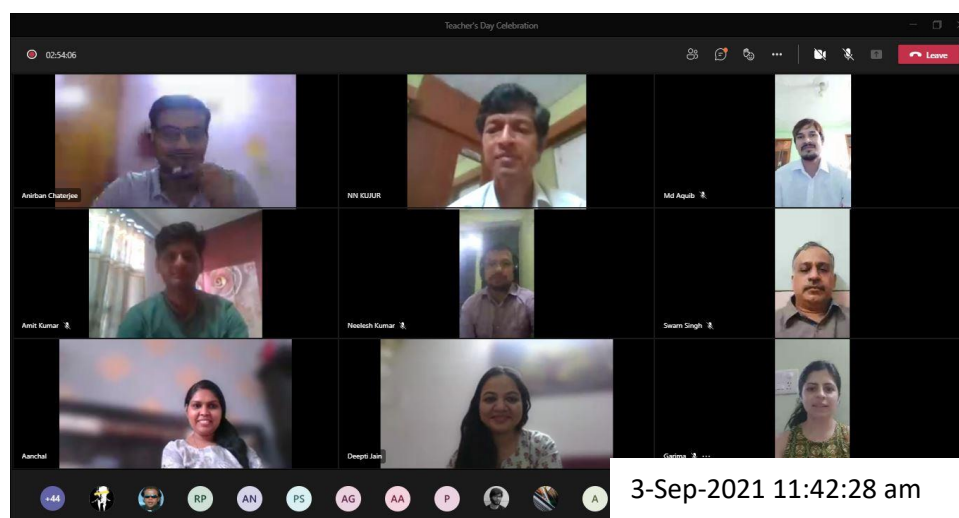

**On September 3, Friday
11 am onwards
Platform - MS Teams**

Thanks & regards,
Anirban Chatterjee
(Association-in-charge)
