Respected Ma'am

The iconic institute Sri Venkateswara college has ever since been tirelessly working to fulfil its mission of imparting education. To mark the commencement of the 60th year of Sri Venkateswara College, the Department of Political Science is organizing a "DISTINGUISHED LECTURE" with Amb. Rajiv Bhatia as part of its Diamond Jubilee celebration.

Amb. Rajiv Bhatia will be speaking on the topic " Myanmar - six months after the coup: Implications for India."

During a 37-year innings in the Indian Foreign Service (IFS), he served as Ambassador to Myanmar and Mexico and as High Commissioner to Kenya, South Africa and Lesotho. He is a distinguished Fellow, Foreign Policy Studies Programme at Gateway House.

It will be intriguing to get his viewpoint on how the future of the India- Myanmar relationship would shape up. Will China's increasing footprint in Indo-Pacific, be the driving force behind bilateral ties?

9. Event report Attested by Event Coordinator & IQAC Coordinator✓

On 28th of August, 2021, the Department of Political Science organized a distinguished lecture to mark the commencement of the 60th year of Sri Venkateswara college as part of its Diamond Jubilee Celebration.

The topic of the Webinar was **“Myanmar - Six months after the Coup: Implications for India.”** The resource person for the day was **Ambassador Rajiv Bhatia** who is a distinguished fellow, foreign policy studies programme at gateway house. During a 37-year innings in the Indian Foreign Services (IFS), he served as Ambassador to Myanmar and Mexico and as high commissioner to Kenya, South Africa and Lesotho. He also dealt with a part of South Asia, while posted as Joint Secretary in the Ministry of External Affairs. He is also a regular speaker on foreign policy and diplomacy in India and abroad.

At the beginning, Dr. Jita Mishra, Teacher in Charge of the Political Science gave a welcome address to all the participants and also introduced the speaker. The lecture was also attended by our respected Principal Prof. C. Sheela Reddy and she threw some light on the history of our college. She talked about the unfortunate condition in Myanmar that ended the decade old country's experiment with democracy. She thanked ambassador Rajiv Bhatia for accepting the invitation and consenting to deliver this lecture on such an interesting topic. She was highly appreciative of the commendable efforts taken by the political science association members to organize this insightful lecture.

Ambassador Rajiv Bhatia began to explain the structure of the lecture through the mode of a PowerPoint presentation for better understanding of topics in online mode. He also highlighted the need for our youth to be much more deeply aware of our surrounding regions (South Asia and Southeast Asia). He briefly explained about Myanmar and how four of India's states touch its borders and are contiguous to it. He further explained that much of the history of Myanmar is about the political struggle between the military and NLD {national league for democracy} because the military believes that it is entitled to govern the country whereas NLD and other political parties strongly believe that Myanmar should now become a full-fledged democracy. He briefed about the coup which took place in Myanmar on 1st February 2021 after the elections which was an illegal grab of power by the military and how the actions of the military were met with vociferous opposition from the people that continued for not just one day or week but for the entire three months. He also commented on the summit meeting which was organized in Jakarta by the regional body ASEAN on 24th April to resolve the instability caused by the political crisis in Myanmar. Efforts taken by internal organisations like the UN were also discussed in the lecture. He talked about the importance of Myanmar for India's foreign policy which is immense. In conclusion, he explained about the options available to India such as mediation, wait and watch, calibrated activism- passivism, and keeping the channel open to both sides.

Throughout the webinar, there was engagement with questions and discussions. The lecture concluded with a 'Q&A round' where the floor was open for questions from the audience. The members present in the meeting asked several questions to the guest speaker ranging from Indo-Pacific command of the US/NATO and its effect on democratization in Myanmar and its implications on India to the major reasons behind the silence of India on the coup, all of which were answered in a very comprehensive manner.

The lecture generated a positive response and the audience now looks forward to more such insightful and intuitive events. Feedback from the webinar attendees indicated that they found the topic very useful and relevant. Most of them found the event as warm and informative and very much relevant to contemporary issues. They even thanked the team for conducting such an interesting and engaging lecture.

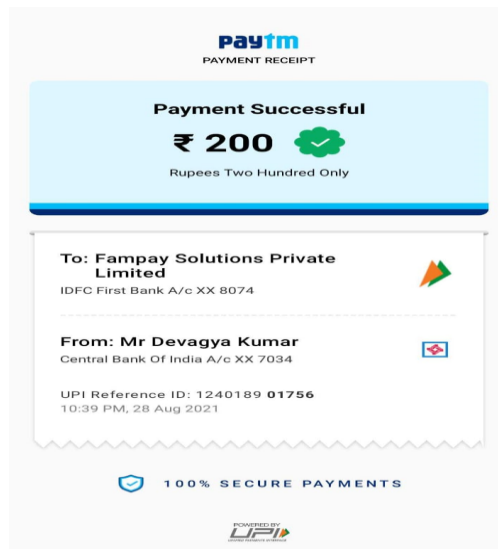

The lecture format was a success and the time frame of 1.5 to 2 hours appeared to be enough time to allow facilitation of discussions and cover the regulatory and hot topic. It was an honour for the Political Science Student's Association to have such an esteemed ambassador grace the event with his presence.
