REPORT: Campus Ambassador Program

EVENT SUMMARY: The Department of Political Science, Sri Venkateswara College organised a Campus Ambassador Program by MyGov India in collaboration with the Ministry of Electronics and Information Technology.

Ms. Soumi Banerjee who is the Head of Public Policy at MyGov platform and MietY discussed the promotion of inclusive policies including E-governance which enable citizens to play their role of responsibility. They encouraged students to become representatives of New India and participate in various activities and competitions organised by MyGov which is the world's largest citizen engagement platform. It is a two-way platform where people can also put in their ideas and suggestions. The concept of participatory governance was also elucidated where they told how people can be a sustainable part of the policy making process.

Ms. Renu who is the Deputy Manager of MyGov platform described in detail about digital communication campaigns, expertise in the field of social media and the way students can

engage in all of these as MyGov hosts campaigns which utilise their skills. They also elaborated on Policy outreach and PM Modi's Mann ki baat.

Features of MyGov were told. Furthermore, they told students about the role and responsibilities of an ambassador which made them aware of the government policies and actions - Information dissemination, ensuring registrations as saathi's, fostering campus relationships, recommending improvements, etc.

The session concluded with their interaction with the students and professors. Feedbacks of some students were also recorded.
