EVENT SUMMARY

FAREWELL 2023

The department of Political Science, Sri Venkateswara College organised farewell for the outgoing students. It began with the delivering of mementos to the 3rd years along with speeches by the faculty. It was a token of appreciation for their journey so far. The professors shared their experience with them and wished them the best for their future. First and second year students showcased their talents. Their performances included singing, dancing, etc. Even 3rd year students came out to perform with enthusiasm. All the professors appreciated the performers. They got emotional in saying a goodbye to the batch of 2023 as it was a wonderful one. New teachers also interacted with the students and got to know about them. A video of all their beautiful memories was made by their juniors which was played for them. It included their memories of various events, trips and occasions. They loved it. Even some of the former teachers sent a message for the students in the form of voice notes which made them emotional. Some students defined their journey in the college in the form of poems and speeches. Everyone was really happy and had so much fun. All the students had great interaction with each other and the professors. This was followed by a ramp walk session where the students flaunted their style and outfit. The occasion ended with the open DJ where all of them danced and enjoyed the most! Lunch was also organised by the department.
