Department Magazine Committee Report 2019-20

The Department of Sociology, Sri Venkateswara College came up with two editions of the wall magazine this academic session (2019-20).

The theme of the first wall magazine was Food and Culinary and it was titled 'Salt and Weber'. We tried linking the food and culinary habits to the social phenomena present around us, and how elements such as religion, region, gender, caste, class, and mass media have an influence over our food practices.

The second edition revolved around the theme of Cinema. Titled 'Oh My Goffman!', this edition highlighted the main themes prevalent in the Bollywood industry through the ages and their sociological relevance. It showcased the cinematic depiction of phenomenons like class, woman protagonist, close resemblance to religious epics and the like.
