### BRIEF INFORMATION ABOUT THE ACTIVITY (CRITERION NO. - II/V/VII )

|                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| TOPIC/SUBJECT OF THE ACTIVITY | Visit to Geology Museum, University of Delhi                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| OBJECTIVES                    | <ul style="list-style-type: none"> <li>To study briefly about Geological time scale.</li> <li>To study different types of fossils and model organisms.</li> <li>To study different types of minerals.</li> </ul>                                                                                                                                                                                                                                                                                                        |
| METHODOLOGY                   | <ul style="list-style-type: none"> <li>Interactive session with the museum curator and discussed various types of fossils and minerals along with documentary were displayed by them on how earth originated and what change it underwent with time.</li> </ul>                                                                                                                                                                                                                                                         |
| OUTCOMES                      | <ul style="list-style-type: none"> <li>Students learned about major history of life and they understand the contribution of fossil studies in evolution. Students captured pictures of different types of fossils to identify different mold , cast, amber etc. Students were so excited when they observed real fossils their curiosity level was high and wanted to learn more about it. Since studying the fossils they can learn a lot about how animals and plants lived and behaved million years ago.</li> </ul> |
