Subject: Permission to organize a lecture on “**Entrepreneurship in Fisheries sector**”.

Respected Madam,

It is to bring to your kind notice that we have SEC paper “Aquarium Fish Keeping” for B. Sc. Life Sciences, II year. In this regard, we are interested to organize an invited lecture on Ornamental Fisheries entitled ‘*Entrepreneurship development opportunities for Indian youth in ornamental fisheries*’. This is a class-room extension activity and objective of this lecture is to acquaint students with the scope of entrepreneurship development in fisheries sector and setting up a small aquarium fish keeping as a cottage industry for self-employment of youth.

Dr. Preeti Khandelwal, teaches this paper. She contacted an expert in this field **Dr Atul Kumar Jain**, Scientist (Rtrd.) CIFE-ICAR, Founder & Director of Ornamental Fisheries Training and Research Institute (OFTRI, Rajasthan). He is very kind enough to share his expertise with students and faculty members in online mode. As per his convenience, and availability, we plan to conduct the above mentioned lecture on 12th March, 2021 at 11.00 am.

This lecture is definitely going to benefit our students and would do a lot of justice to their academic curriculum.

Kindly grant us permission to organise this lecture.

Thanking you

Yours Truly
