TOPIC/SUBJECT OF THE ACTIVITY	Event with social impact – Spreading Awareness about Education
OBJECTIVES	Our choreography revolves around the privilege that is education and the importance of the same. The opportunities along with the pool of information it provides is unparalleled and immeasurable. It is a security blanket which helps a person to stand tall and reach for the stars. It equips us with not only the mere ability to understand , but also self respect and confidence which helps in braving anything and everything.
METHODOLOGY	Everything from the theme to the props , from stunts to costumes and from hair to make up was decided by deliberate ideation by all the team members. Regular meetings were held to brainstorm and decide everything which not only involved the core but all the members as well.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	

OUTCOMES	As a result of our performance which portrayed the importance of education and literacy , all the students and faculty present during the performance along with the judges and children became aware of the significance of being an educated individual and how it is a privilege to those who can receive it.
