BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Event with social impact – Spreading Awareness about Environment Degradation
OBJECTIVES	Our choreography gives a reality check to all those people who instead of saving nature and helping it rebuild its essence , are responsible for its destruction and have wreaked havoc on the environment. It acts as a wake up call for us , who have created menace on this earth. It is about how foolishly we try to control and alter the nature around us , leaving the environment deleted i.e., dismantled and breathing its last sigh.
METHODOLOGY	Everything from the theme to the props , from stunts to costumes and from hair to make up was decided by deliberate ideation by all the team members. Regular meetings were held to brainstorm and decide everything which not only involved the core but all the members as well.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	

OUTCOMES	As a result of our performance which portrayed the debilitating condition of our environment , all the students and faculty present during the performance along with the judges and children became aware of the catastrophe we as humans have created and vowed to act more thoughtfully .
