CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As a constituent college of the University of Delhi, Sri Venkateswara College follows the curriculum/ syllabus designed by the University. The syllabus was revised at the University level in 2019 and since then the college has been following the revised curriculum. The syllabus based on the Learning Outcome Based Curriculum Framework (LOCF) is aligned with the Choice Based Credit System (CBCS). All the Departments submit their workload relating to faculty requirements before every semester. The Academic Planning Committee addresses the demand relating to faculty requirements of various departments. Teachers are allotted the subjects according to their specialization. The College adheres to the University of Delhi calendar but all the Departments prepare their own respective calendars which include slots for seminars, workshops, festivals and other cultural and academic events. Every semester, the teachers are required to submit their respective teaching plans well in advance so that they can make requisite preparations for their classes. Timetables are prepared by the Timetable Committee which ensures smooth coordination between Departments. Interdisciplinary courses offered by the College like B.Sc. Biological Sciences, B.Sc. Life Sciences and B.A. Program are taught by teachers of different disciplines. The lectures of B.Sc. (Hons.) Biological Sciences are engaged by the faculty of the Departments of Zoology, Botany and Biochemistry. B.Sc. Life Sciences is being taught by teachers from Zoology, Botany and Chemistry. B.A. Program is taught by faculty of Departments of Hindi, English, Tamil, Telugu, Sanskrit, History, Economics, Sociology, Political Science, Mathematics and Statistics. According to LOCF/CBCS Curriculum all the students study English and Environmental Studies as Ability Enhancement Compulsory Courses (AECC). Also, General Elective (GE) courses of the various Departments are offered taking into consideration the demand of the students and the infrastructure of the college. All the Departments float Skill Enhancement Courses (SEC)/ Ability Enhancement Courses (AEC), Discipline Specific Elective (DSE) Courses after soliciting the preferences of the students. The College tries to cater to the needs of all the students to the best possible extent and to the maximum level of satisfaction. Teaching slots for General Electives are fixed across all courses to facilitate students to attend GE of their choice. After the Timetable Committee is ready with the Master Timetable and Room Timetables, all the Departments make their individual timetables of faculty members. All the Timetables are posted on the website of the College and notice boards of the College well before the

start of the semester. The teachers and students are free to communicate with the Timetable Committee and grievances, if any, are resolved at the earliest. With the outbreak of the pandemic, there have been efforts on the part of the college towards upscaling the ability of the teachers towards delivering lectures online. All the teachers and the students of the college have been assigned MS Teams login credentials by the ICT Unit of the college.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

As a constituent College of the University of Delhi, Sri Venkateswara College adheres to the academic calendar of the University. The calendar states the timelines for commencement of classes, dispersal of classes, preparation leave, practical examination, mid semester break, theory examination and vacations. The calendar is strictly followed. All the Departments prepare their respective calendars which include slots for seminars, workshops, educational excursions, field visits and other events. In order to ensure that all the timelines are met the Timetable committee has regular meetings before the start of the session, in between the session and after the end of the session. The Departments have periodic meetings with all the faculty members in order to ensure that the individual teachers' time tables and teaching plans are ready well in advance.

The students are informed about the internal assessment process at the beginning of the semester and all the assignments, presentations, tests, quizzes and practicals are conducted as per the timelines and guidelines prescribed by the University.

In the Delhi University, 25% of the assessment is through the process of internal evaluation. The nature of assessment is as per the decision communicated by the concerned department at the university. It is a blend of internal test, assignment and /or project presentation. Teachers evaluate the same and submit the grades to the Teachers-In-Charge. Every Department has a

Departmental Moderation Committee which moderates the marks and final marks are uploaded by the faculty on the college website. Teachers update the marks and attendance of the students through their respective login ids. Students access their marks and attendance through their individual login IDs.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Sri Venkateswara College believes in transforming students into well-rounded individuals, aiming at holistic development. The college life provides an exposure to the students to the rich multi-cultural traditions of our country through multifarious extra- curricular activities. Societies like Woman Development Cell, Eco Club, Equal Opportunity Cell and Social Service Society

sensitize the students on aspects of gender justice and equality. Field visits are a mandatory part of the Ability Enhancement Compulsory Course on Environmental Studies for any undergraduate student in the University. This has indeed been a great effort in sensitizing students on issues of environmental concern. As part of their projects in the courses, the students from our College have visited number of places including the Delhi Ridge Forests, Okhla Bird Sanctuary etc. The Department of Botany offers courses on Plant Ecology, Plant Biodiversity and Ethnobotany as part of the B Sc (Hons) Botany course. As part of the field visits arranged, students accompanied by faculty have visited Mukteswar and Dhanaulti (Himachal Pradesh) and Dehradun Forest Research Institute (Uttarakhand). The College has been running the add-on course on Climate Change: Issues, Concerns and Strategies for the past three years. Through the interactive lectures with experts from different disciplines, the learners have been exposed to the growing planetary concerns. Experts have interacted with the students and exposed them to the scientific facts underlying the environmental issues in the context of the IPCC Report and emphasised the importance of a New Green Deal for the planet. The college has also been running the add-on Course on Entrepreneurship. The course has helped the students learn the art of mobilizing people and resources, creating value propositions in the form of business plan and pitching the plan so created. The college started Enactus, one of the most active societies of Sri Venkateswara College, in the academic year 2015. The aim of Enactus SVC is to inculcate the spirit of entrepreneurship among students and make them sensitive towards society. Courses in themes related to environment and Sustainable Development, Corporate Governance, Gender Issues and Human Rights . The Department of Sociology offers course on Environmental Sociology for BA (Hons) Sociology. . The issues of sustainable development and environmental policy forms part of the curriculum of Discipline Specific Elective of Environmental Economics offered by the Department of Economics . The Department of History has a course on Environmental Issues in India . The Department of Commerce has a course on Auditing and Corporate Governance which deals with issues of corporate social responsibility. . Department of Political Science offers the course on "Feminism: Theory and Practice", a Discipline Specific Elective in Semester V . The Department of English offers Skill Enhancement Course on Applied Gender Studies. It also offers a General Elective Paper: GE 04 Gender and Violence which can be opted by any student as per the CBCS . The Department of Political Science offers a General Elective: Human Rights, Gender and Environment which can be opted by any student in BA Programme.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Teachers try to identify the learning levels of the student right in the first semester so as to adopt different methodologies to effectively assist both advanced and slow learners to excel in due course of time.

- Tutorials / contact classes are included in the time plan of every teacher where various learning levels of students are duly addressed.
- To optimally utilize the potential of advanced learners, they are encouraged to work in research projects, pilot projects, surveys taken up by faculty to make them learn beyond curriculum and develop research acumen
- The college launched its own summer internship program 'Sri Venkateswara Internship Program for Research in Academics-SRIVIPRA' from the academic year 2019-2020, wherein students work (for 4-6 weeks) on projects offered by the faculty members in their areas of specialization.
- Toppers and university rank holders are felicitated during the Annual Day function.
- Interaction and individual focus during the mentor-mentee meetings helps faculty members to be in constant touch with students and develop a bond so that students confide and discuss their academic and personal issues.
- Peer learning is encouraged with an effective interface amongst all students.
- Professional Counsellor is appointed to help students deal with their mental well-being.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experiential Learning

- Learning through screening of documentaries, talks and movies, heritage walks, debates, class presentations etc.,
- Hands-on experience of latest and contemporary software tools, such as MATLAB, Multisim, Eagle CAD, ISE Design for VHDL, in laboratories.
- Computational approaches in various departments - simulations (Mathematics classes), AI networks (Robotics in Electronics classes), 3D modelling & simulations (Biochemistry classes) and interdisciplinary projects.
- Teaching through audio-visual aids, periodical industrial visits, exhibitions, field trips, documentaries, short film making, feature films, outdoor shooting, practicals, live projects and management research projects.
- Add-on courses and Sri Venkateswara Internship Program for Research in Academics (SRI-VIPRA), a regular summer research-training program have been introduced in the college for enhanced experiential learning of students.

Participative Learning

- Group Learning is encouraged among students that allow the slow learners to develop problem solving, interpersonal, presentational and communication skills to confirm quality

learning within the peer group.

- Group discussions, role plays, case studies, powerpoint presentations, debates, quizzes are conducted by various departments.
- The college also conducts interdepartmental seminars, workshops and group projects to foster participative learning among students.

Problem Solving Methodology

- Heterogeneous group of students comprising fast, average and slow learners are asked to prepare small presentations or share case studies

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

- The classrooms and labs of our college are ICT enabled with projectors installed and the campus is enabled with high speed Wi-Fi connection. Internet Resource Labs are there for students to promote self-learning.
- The faculty members effectively utilize audio-visual aids tools such as power point presentations, video clippings, audio system, online resources, from National Programme on Technology Enhanced Learning (NPTEL) to enhance the learning experience.
- The facility for accessing e-journals and e-books is provided in the campus. Our college faculty and students have user login ids and passwords to access e-resources under N-LIST (National Library and Information Services Infrastructure for Scholarly Content) programme.
- Classes have been regularly held during the pandemic by using various digital platforms such as MS Team, Google Classrooms, Google Meet and Zoom. Students and staff were provided with MS Teams account from the University of Delhi, and it was used to conduct classes.
- Teachers shared video lectures which were made using screencastify, screen cast-o-matic, DU recorder etc. on

their own youtube channels, via Google drive and Whatsapp. The college conducted Faculty Development Program on "ICT Enhanced Teaching and Learning 2.0" from 25th- 29th July 2020 to orient faculty towards digital teaching.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Sri Venkateswara College as a constituent college of the University of Delhi follows the regulations formulated at the University level in all the matters relating to assessment and evaluation.

25% marks in each paper (Theory) are awarded through internal assessment while the end semester examination conducted by the University determines the remaining 75% of marks.

The internal assessment is carried out through quizzes, assignments, presentations, open book assessment, tests, projects or any other innovative method. Apart from this the college

conducts a mid-term assessment with a centralized schedule and provides a timeframe for assessment. The entire exercise is supervised by a college appointed independent committee.

This process includes following three components:

1. Internal Assessment (25%):

o Assignment : 10 marks

o Written Tests : 10 Marks

o Attendance :5 Marks

2. Semester-end Examination (75%):

3. Practical Examinations: Total marks-50

50% of the marks are based on Continuous Evaluation which includes attendance, performance of the experiment and maintenance of daily record of observations & inference.

Internal assessment results are accessible to the students in their individual login on the college website and they are required to check and sign their record before it is uploaded on the University portal.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Sri Venkateswara college has a 3 tier system in place for fair conduct of continuous assessment. The discrepancies and grievances of students are addressed in a timely and efficient manner.

I level : Subject Teacher (for direct redressal of grievance related to assessment on a one to basis)

II level : Department Moderation Committee

III level: Central Moderation Committee in college

After every assessment, answer scripts are shown to the students and the responses are discussed in detail. Any grievances arising thereof are redressed by the teacher concerned. Students who are absent or fail to submit an assessment on time are contacted personally and given an opportunity for reassessment.

Every department also constitutes an internal moderation committee which reviews the internal assessment marks compiled and submitted by the teachers of the department.

The records are uploaded on the college website, only after a rigorous scrutiny by the Central Moderation Committee. The final Internal Assessment (IA) is shared before sending it to the university .

In case of any discrepancy between marks awarded by teachers and those entered in the University mark sheet, the college provides assistance to the concerned student to get it corrected.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Sri Venkateswara College offers 20 undergraduate courses; 9 postgraduate courses and 1 PG Diploma course. The teachers and students are cognizant about the contents, scope, and competencies expected in respective courses. Being a constituent college of University of Delhi, Sri Venkateswara College follows the syllabus prescribed by the University. Presently, both CBCS (Choice Based Credit System) and LOCF (Learning Outcomes based Curriculum Framework) are followed by the institution, for which Program Outcomes (POs), Course Outcomes (COs) are documented in the approved syllabus.

Initiatives for students' awareness regarding POs and COs

- College website is regularly updated about the courses, number of seats, syllabus.
- Subject experts (teachers) and senior students are called

during admissions to counsel applicants.

- Enrolled students are addressed by the Principal, stakeholders and respective departments when the college reopens for a new academic session.
- The curriculum offers optional subjects along with core subjects. Hence, other departments organize orientation programmes so that students can opt for General Elective (GE) as per their interests and career related requirements.

Teachers are encouraged to attend workshops, conferences, FDPs (Faculty development Program) to update their knowledge and skills for the successful accomplishment of POs and COs.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

All departments follow direct as well as indirect measures for assessment as instructed by the University of Delhi, to attain Programme and course outcomes.

Direct Assessment:

University conducts examinations towards the end of every semester. This process includes the following three components:

- Internal Assessment (25%)
- Semester-end Examination (75%)
- Practical Examinations

The college also offers several add-on/certificate courses that are the extensions of our curriculum based pedagogy.

Indirect assessment for attainment of Programme Outcomes and Course Outcomes:

- **Students' Progression:** The progression of our students for

higher education within India and abroad is one of the indicators of assessment for attainment of POs, COs. Students are selected in various reputed institutes based on their merits and interviews. Many of our students are pursuing at IIT, IISc Bangalore, The University of Queensland (Australia), University College Dublin etc.

- **Placement:**Our students have been employed in many reputed companies on/ before completion of their graduation degree.
- **Competitive Examinations:**Large number of our students have qualified for competitive examinations like NET/SLET/GRE/GATE/CAT/ CA etc. in the last five years.

Internships:Summer internships are organized by our college every year to further help students in gaining hands-on experience to enhance their knowledge.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Even though 2020-21 was completely in online mode due to the COVID-19 pandemic, Sri Venkateswara College continued to motivate students and faculty for research activities. The Annual day celebrations recognized achievements of students and faculty and distinguished experts were invited to inspire and encourage them to work towards society's challenges. IQAC organized various activities such as online faculty development programmes and webinars on research promotion to ensure an innovative ecosystem. The College Research Committee also invited speaker from BioNEST-UDSC to encourage faculty to understand functioning of the Innovation center. Faculty were encouraged to keep themselves abreast of the advancement in their research fields through participation in external workshops/conference/webinars. Our students presented their work through poster, oral presentations and innovative idea competitions. Our UG research flagship program SRI-VIPRA witnessed excellent participation of 377 undergraduate student interns working in 48 projects mentored by 62 faculty members, apart from the external student internships. Specialized research facilities such as Open-top chamber was setup for climate change research. The College signed 8 MoUs with national and international institutions to promote scientific exchange of knowledge and research activities. Innovative research initiatives were translated for societal benefit such as employment generation in abandoned villages of Uttarakhand.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The college, through its various societies, provides students a platform to reach out to neighbourhood communities. Throughout Pandemic, student volunteers of NSS distributed ration kits in the Sanjay Camp (adopted slum) in collaboration with various NGOs which helped over 100 underprivileged families. Moreover, the student volunteers continued teaching children of Sanjay Camp through online platforms/phone calls under the project Each One Teach One. Under the Government MGNCRE Psychosocial Support Plan, a team of student helpers reached out to COVID-19 survivors and helped them overcome their psychological trauma. Moreover, outreach programs, such as "Nischay" with 300+ participants, and webinar series with AIIMS, New Delhi, with 700+ participants, were conducted for COVID-19 awareness. Many Fundraiser events were also organised by Fine Arts students to provide support during Pandemic. Vaccination Camps were organised benefitting 400+ people. The Women Development Cell of the college organized various awareness programs on social issues such as patriarchy, domestic violence,

consent and mental health. Through the GreenSchool Initiative of Eco club, more than 400 school children were sensitized. Recently, the college has also been recognised as Swachhta Action Plan Institution by MGNCRE for inculcating the practices of Swachhta in the faculty, students and community.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni Association of Sri Venkateswara College, comprises of Prof. C. Sheela Reddy, Principal as the chairperson, Dr J Lalita as convener, Dr. Namita Pandey, Dr Meenakshi Kuhar, Dr Sharada Pasricha, Dr Om Prakash, Shri Sumit Chaudhary, Shri Hari Subramanian, Mr Aashish Jain, Dr Namita Nayyar and Dr Shubra as members of the association. The main objective of the Alumni Association is to foster extended relationships among the passed out batches, the current students, faculty and staff associated with the college. One such endeavour was in 2018, when the alumni association of SV College created a Facebook page named as SVC Alumni to get in touch with its former students. This subsequently

culminated in an alumni meet. Executive Officer TTD, Mr Anil Kumar Singhal, officiating as the chief guest insisted on strengthening the bond between the alumni and the college. Apart from the college, several departments have also been actively engaged in interacting with their respective alumni. The alumni have conducted seminars/webinars/workshops on career prospects and career development opportunities available in their respective fields. Recognizing the significance of its vibrant alumni coming from diverse fields Sri Venkateswara college aims to engage with its alumni more frequently.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Our vision at Sri Venkateswara College is "Self-realization through knowledge" emphasizing holistic, inclusive and futuristic education in tune with college motto "Satyaana Pramadittavyam" (Do not deviate from Truth). The college strives for holistic education where students are groomed to gear up to the changing dynamics of the world with honesty, sincerity and compassion through collective efforts of all the stakeholders. In consonance with the vision, The Mission of the college is to

(i) Promote innovative ideas and research so that students are well equipped to meet the technological and social needs.

(ii) Empower the students to realize their passion not only in academics but also in extracurricular activities.

(iii) Encourage students to work in teams which helps them to build trust and respect amongst them.

(iv) Foster consciousness towards environment, social dynamism with cultural sensitivity and tolerance.

(v) To nurture and mould students to contribute positively and become notable change makers of the society.

Faculty members are the integral part of the administrative system strengthening governance by discharging roles as Vice Principal, GB members, Bursar, IQAC members, PIO for the smooth functioning of the College

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralization-To accomplish the vision and mission of the college, the Principal steers the college with democratic spirit and involves the faculty and staff members at all levels. The principal decentralizes duties and responsibilities to various staff council appointed committees, which work in coordination with the principal. Also, there is student participation in certain committees like Joint Consultative Committee (JCC) where the students and the faculty members deliberate upon and discuss issues which require immediate attention.

Participative Management

Sri Venkateswara College ensures policies of participative management at various levels. The administrative functioning of the college is facilitated by vice principal, bursar and staff council committees and appointment of teacher representatives in College Governing Body.

Case Study: STUDENT ADMISSION PROCESS

Every year, all departments and office staff, along with student volunteers, participate actively in the smooth and efficient completion of student admission process in UG/PG programs. The decision of cut off for admission to various UG courses offered by the College is taken up by Admission Committee in consultation with TIC/coordinators of departments. Verification of certificates is supported by committees comprising of faculty and non-teaching staff. College Helpdesk with student members provides assistance and guidance to aspirants seeking admission in the college.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

1) BEST PRACTICE: INNOVATIONS IN PEDAGOGY

Objectives: The most important vertical in educational institution is teaching learning. Efforts are made to optimise their potential in academic endeavors.

Context: Faculty members make efforts for effective teaching by using constructivist, integrative, collaborative pedagogical approaches to enrich the learning experience of students.

Practices: ? Lecture cum demonstration method ? Project based learning: ? Peer learning ? Blended learning ? Training of teachers ? Conduction of Add-on courses

Evidence of Success: ? Ranks in University (DU and UDSC) ? Students' progression to entrance exams for masters' programs (India and abroad): ? Impressive placement record ? Awards for Faculty members ? High institutional Ranks
Problems Encountered: Limited access to internet and digital devices to students, particularly those in remote parts of the country, restricts their participation in academic and co-curricular activities.

2) BEST PRACTICE 2: Fostering Environmental Consciousness-Campus and Beyond

Objectives of the Practice: Environmental consciousness is given highest priority at Sri Venkateswara College. The objective is to create behavioral change and sensitize students.
The Context: The college being sensitive towards environmental issues, and makes every attempt to address them through various academic and outreach activities.

Practices: ? On campus Environmental Initiatives ? Campus Bird Monitoring ? Power conservation ? Alternative sources of energy ?

Record and digitization of flora and fauna ? Waste segregation ? Rain Water Harvesting ? Add-on Course on 'Climate Change: Issues, Concerns and Strategies' ? Celebration of Environmental days ? Green School Initiative ? Wetland Restoration ? Biodiversity Awareness Trips Evidence of Success: ? Published in National Media Pictorial Guide to bird of campus ? Functional Vermicomposting pit ? Awards for activity: Waterbody restoration film ? Successful outreach activities ? MOU with AIIMS for Green School Initiative. Problems Encountered and Resources Required: Limited time for off campus activities Lack of funding: Sri Venkateswara College is a non-profitable public funded institution so we are bound by a limited budget for the activities concerned.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

INSTITUTIONAL DISTICTIVENESS DIVERSITY AND INCLUSIVITY

The world is facing severe challenges and requires an inclusive attitude to enable staff and teachers to develop their full potential and to meet the challenges in Life. Inclusiveness as defined in the Salamanca statement by UNESCO entails recognition of the need to work towards education for all, which includes everybody who celebrates differences, supports learning and responds to individual needs. Educational policies and practices often assume that student populations are homogeneous in their perception and learning. They often ignore the students' situatedness in their personal life which influences their perception and experience. It is important that all students should learn together regardless of their differences, diversity and disabilities. The college promotes an environment in which all students feel valued, respected and have access to opportunities. Sri Venkateswara College strives to strengthen social cohesion and promote greater solidarity and harmony among students through various initiatives and activities. It trains students to adhere

to the principles of cultural tolerance, gender inclusivity, overcome religious, regional prejudices, and linguistic differences. Inclusiveness and tolerance are crucial for shared vision and future development of the institution. Teaching the values and skills for learning to coexist is a priority at SVC.

7.3.2 - Plan of action for the next academic year

- In the coming academic year the college will continue its endeavors to provide an environmentally conscious and inclusive campus.
- Making the campus disable friendly will be further extended to various physical infrastructure.
- Library infrastructure will be upgraded.
- Ground water will be recharged and conserved to ensure minimal waste of rain water.
