## REPORT

Sri Venkateswara College celebrated the completion of Diamond Jubilee with great pomp and show on 28<sup>th</sup> August, 2022 in the college grounds. The Valedictory Function witnessed the presence of luminaries of education who apprised the people at the helm of affairs (teachers, staffs and students) about how the National Education Policy 2020 is aimed at equipping the future of the nation for nation building and development.

The Chief Guest of the session was Shri Dharmendra Pradhan, Honourable Minister of Education, Skill Development and Entrepreneurship, Govt. of India. Shri Y. V. Subba Reddy, Chairman, T.T.D Trust Board and College Governing Body presided over the function. Prof. Yogesh Singh, Vice Chancellor, University of Delhi and Prof. M. Jagadesh Kumar, Chairman, UGC were the Guest of Honour. Other special guests were Prof. Shri Prakash Singh, Director, University of Delhi, South Campus, Prof. Balram Pani, Dean of Colleges, University of Delhi, Prof. Randeep Guleria, Padma Shri awardee, Director, AIIMS, New Delhi, Ms. Nalini Asthana & Ms. Kamalini Asthana, Padma Shri Awardee & renowned Kathak Duo. The celebration began with the lamp lighting ceremony, wherein all the dignitaries lighted the auspicious lamp and invoked the blessings of lord Balaji.

All the dignitaries on the stage

Prof. C. Sheela Reddy, Principal, Sri Venkateswara College, delivered the welcome address and opening remarks. She began by stressing that the yearlong Diamond Jubilee celebrations of Sri Venkateswara College reverberate with the University's centennial celebrations and our country's Azadi Ka Amrit Mahotsav. She reminded how the spirited vision of three luminaries, Smt. Durgabai Deshmukh, Sri K.L.Rao and Sri C. Anna Rao to establish an undergraduate college in the national capital by Tirumala Tirupati Devasthanams was realised in August 1961, with the laying of foundation stone, in the present campus by Dr. Sarvepalli Radhakrishnan, the then Vice-president of India, an eminent teacher, a great philosopher and a statesman.

She highlighted that in the year 1961, the college started off with 271 students and 13 faculty, Sri Venkateswara College has grown from strength to strength. Currently, with the support of 211 teachers and 151 non-teaching staff, the college offers 20 Undergraduate courses in sciences, humanities and commerce; one PG Diploma course and 9 post graduate programs serving the educational needs of more than 4000 students from all over India. The college consistently features in the top ten to fifteen best colleges in India in various government and non-government rankings such as MHRD-NIRF, India Today, Outlook and the Week.

During the Diamond Jubilee year, the college underwent the second cycle of NAAC accreditation in April 2022 and was awarded A+ grade. This marks an improvement from 'A' Grade that was received in the first cycle of NAAC in 2016.

Like all higher educational institutions, the college is trying to build upon some of the key features of New Education Policy 2020 (NEP) such as Multidisciplinary, innovative pedagogy, experiential learning and emphasis on Indian languages.

At Sri Venkateswara College, Indian language courses on Tamil, Telugu and Sanskrit certificate courses in Foreign Languages like Spanish, German and French foster a multilingual environment, while several add-on courses like Ayurbiology, Intellectual property rights, Entrepreneurship, Digital marketing, Climate change, and Indian Music & Culture enrich the students' learning experience.

'Education is not the learning of facts but training of minds to think'. To encourage multidisciplinary research at undergraduate level a notable initiative (SRI-VIPRA) i.e., Sri Venkateswara Internship Program for Research and Academics was started by IQAC in 2019. This summer internship programme aims to instill research bent of mind in students.

To encourage interdisciplinary collaborations among faculty in Sri Venkateswara College, a Research Conclave was organized for the first time during the Diamond Jubilee year. A compilation of the research interests of faculty has been consolidated in the research magazine 'Venquest'.

Many Faculty have been awarded research grants by several government and non-government organizations including University Grants Commission, University of Delhi, Dept of Science and Technology (DST),

Department of Biotechnology, Ministry of Environment, Forest and Climate Change, Indraprastha Gas Limited and several others.

In an everchanging and dynamic world, the frontiers of exchange and collaborations are imperative. Sri Venkateswara College lays great emphasis in establishing and fostering linkages with other institutions of eminence. The college has long standing MoUs with All India Institute of Medical Sciences, New Delhi and Nordic Centre in India.

During the Diamond Jubilee year, new MoUs with Czech University of Life Sciences Prague, National University of Uzbekistan, National Institute of Immunology, Delhi, National Productivity Council, Ministry of Commerce and Industry, and K. J. Somaiya College of Science and Commerce, Mumbai to name a few. These MoUs aim to promote academic exchanges, enhance the research capabilities and strengthen capacity building of students and faculty.

To facilitate academic growth, the college is committed to providing the best infrastructural facilities to its fraternity. Although we had to defer some development activities on account of the pandemic, we took the opportunity to refurbish many parts of the college building, canteen, and laboratories, in the diamond jubilee year. With financial support from T.T.D, our state-of-the art Sports facilities saw addition of synthetic Tennis courts & Basketball courts. On their successful completion, our beloved Chairman, Sri Y. V. Subba Reddy Garu inaugurated these facilities in April, 2022. Soon, we will also see a newly constructed boundary wall, a fully renovated automated library, and we will take up the long pending project of completion of auditorium with the kind support of TTD.

During the Diamond Jubilee year, the college undertook many environmental initiatives aimed at sustainability. Our efforts towards water, waste and energy management as well as sanitation and hygiene and green campus have been well appreciated.

**Audience of the event**

We have been recognized as Swachhta Action Plan Institution by Mahatma Gandhi National Council of Rural Education (MGNCRE), Dept of Higher Education, Ministry of Education. Around 40% of the college campus is under green cover with a well-documented, QR-coded collection of native trees with demarcated areas for wild space, garden, herbarium and nursery. We were awarded a certificate of recognition as Sustainable Campus by MGNCRE, Ministry of Education in April 2022.

During the Diamond Jubilee Year, we installed a 140kW on-grid solar power plant under the zero-investment RESCO model. With partial funding from Indraprastha Gas Limited, we undertook the construction of rainwater harvesting structures to facilitate ground water recharge, and received the successful completion certificate from Delhi Jal Board. A booklet titled 'Green Campus' documents these environmental initiatives, aerial images of lush green cover and avian biodiversity on campus. This is a small endeavour to raise environmental consciousness about the importance of nurturing and preserving our green heritage.

Value-based education is at the core of the social fabric of Sri Venkateswara College. Regular outreach and extension programs by college societies such as National Service Scheme, Women Development Cell, Enactus, Fine Arts association, Eco Club, Equal Opportunity Cell provide students an opportunity to understand complex societal challenges and shoulder responsibilities to be agents of social change. SVC recently adopted two colleges in Ladakh to share knowledge and expertise under the 'DU Vidya Vistaar' initiative. A project undertaken by faculty with funding from National Mission on Himalayan Studies, Ministry of Environment, Forest and Climate change contributed in preservation of hill ecology, reviving tourism and creating employment opportunities in the Almora district of Uttarakhand.

Sri Venkateswara College takes pride in the achievements of its students who brought numerous accolades and laurels in academics, sports, co-curricular and extracurricular activities, bringing name and fame to the college. I thank all the faculty, non-teaching staff, and students whose commitment and dedication has made Sri Venkateswara College an institution of repute in the academic milieu.

She humbly acknowledged the support from University Grants Commission in the academic growth and progress of the college since its inception. As a constituent college of University of Delhi, she expressed her gratitude to the University for facilitating the day-to-day smooth functioning as well as support rendered in admission process, conduct of examinations, design of curriculum and in all administrative and policy matters, including recruitment of teaching and non-teaching staff.

With the generous support of the management of the Tirumala Tirupati Devasthanams (TTD) Trust and the Government of Andhra Pradesh under the youthful leadership of Sri Y. S. Jagan Mohan Reddy, Hon'ble CM and with timely guidance from University of Delhi, the College has carved a niche for itself as a prominent,

nationally sought-after co-educational institution that is known not only for academics, but also for its research ecosystem, sports and cultural vibrancy.

She also acknowledges the relentless efforts of former principals who were instrumental in shaping the destiny of the college. Dr. V. Krishnamurthy, an institution builder, Padma Shri Awardee Dr. A. Sankara Reddy, an administrator par excellence and Dr. P. Hemalatha Reddy, who promoted and supported research culture in the college. She thanked colleagues who retired after many years of dedicated service to the college and our former students who have brought countless laurels to the college. She also thanked University representatives on the governing body during the Diamond Jubilee Year, Prof. Debi Sarkar, and Prof. Sanjay Kapoor. She emphasised that we look forward to the guidance of our present governing body members Prof. P. Venkatesu and Prof. Manju Mukul.

### **Prof. C. Sheela Reddy, Principal, Sri Venkateswara College, delivering the Welcome address and the opening remarks**

The welcome address was followed by felicitation. Shri Dharmendra Pradhan Ji was felicitated by Shri Y.V. Subba Reddy. Shri Y.V. Subba Reddy felicitated Prof. Yogesh Singh, Prof. Shri Prakash Singh, Prof. Balram Pani, Prof. Randeep Guleria, Ms. Nalini Asthana and Ms. Kamalini Asthana. Prof. C. Sheela Reddy felicitated Shri Y.V. Subba Reddy.

**Felicitation of Shri Dharmendra Pradhan, Honourable Minister of Education, Skill Development and Entrepreneurship, Govt. of India by Shri Y. V. Subba Reddy Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Prof. Yogesh Singh, Vice Chancellor, University of Delhi by Shri Y. V. Subba Reddy Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Prof M. Jagadesh Kumar, Chairman, University Grants Commission by Shri Y. V. Subba Reddy Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Prof Shri Prakash Singh, Director, University of Delhi South Campus by Shri Y.V. Subba Reddy, Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Prof. Balram Pani, Dean of Colleges, University of Delhi by Y. V. Subba Reddy, Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Padma Shree Prof. Randeep Guleria, Director, AIIMS (Alumni Batch of 1977, Course-Premedical) by Shri Y.V. Subba Reddy, Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Padma Shree Ms. Kamalini Asthana, Kathak artist (Alumni Sri Venkateswara College-student of 1975-78 Batch of History Hons.) by Shri Dharmendra Pradhan and Shri Y V Subba Reddy, Chairman, T.T.D Trust Board and College Governing Body**

**Felicitation of Padma Shree Ms. Nalini Asthana, Kathak artist (Alumni Sri Venkateswara College-student of 1975-78 Batch of English Hons.) by Shri Dharmendra Pradhan and Shri Y V Subba Reddy, Chairman, T.T.D Trust Board and College Governing Body**

After the round of felicitations, the Diamond Jubilee Souvenir was unravelled by the Honourable Minister.

Prof Yogesh Singh, the Vice Chancellor of University of Delhi was invited to deliver the Key Note Address. First of all he congratulated Sri Venkateswara College for completion of 60 years and also stressed that the college is one of the most popular colleges and all the teachers, staff and students take pride in being associated with the college. He stressed that beyond Honesty, Truthfulness and sincerity everyone should strive for contributing towards nation building and development. He highlighted the value of love for the country needs to be focussed in universities for taking our nation to greater heights. He emphasised that NEP 2020 focusses on Innovation, Creativity, Entrepreneurship and Skill Development. He also informed the audience about Competence Enhancement Scheme. The scheme provides a platform to homemakers, entrepreneurs, working professionals to study in the University and gain credit in their Academic Credit Bank, the scheme is open for all citizens of the nation. He shared the vision of the Prime Minister of India of a developed nation by 2047. The University aims by 2047 students from the University of Delhi will be holding significant positions of the nation. NEP 2020 is only a means to achieve this end. He took a pledge from all present at the event to **“WORK FOR THE BETTERMENT OF THE COUNTRY”**.

**Prof. Yogesh Singh, Vice Chancellor, University of Delhi, delivering the key note address**

Prof. M. Jagadesh Kumar, Chairman, University Grants Commission started off by congratulating the teachers, staff and students for achieving a milestone in the history of colleges. He stressed that a teacher should be a guru. A guru is someone who mentors the students and is a repository of great knowledge. A guru himself is a learner and encourages his/ students to be great learners. He highlighted that long ago Adi Shankara gave 4 principles of being a good learner, which are pathnam, mananam, chitnanam an sankeertanam. Pathnam meaning studying, mananam meaning remembering, chintanam meaning critically thinking and sankeertanam meaning repeating the whole process. The role of a guru is to create an ecosystem of learners who can critically think and be a life long learner. He encouraged all the teachers to become gurus.

He narrated a story in which a cat saw a small mouse on left side and found another healthy mouse on its right side. The cat had to decide which mouse to eat, the cat decided to hunt the smaller mouse. When the

cat hunted it, it found no flesh, no blood. The moral of the story is never go for low hanging fruits, you should always set your goal very high as that is when you can achieve something big and great. He ended the speech with wishing a great future to the college.
