The Minister of Education also presented mementoes to the Principal and Chairman of Sri Venkateswara College. Prof. Yogesh Singh spoke about the previous ties between Australia and the University in the form of 3 Memorandums of Understanding with University of Melbourne, University of Wollongong and Macquarie University. He expressed deep appreciation for both the education ministers to initiate a collaborative teaching learning process on

the lines of internationalization. Vice Chancellor informed the audience that last Sunday, 25<sup>th</sup> Feb, 2023 only University of Delhi hosted the 99<sup>th</sup> Convocation. President of India, Smt. Draupadi Murmi was present at the convocation and 1,57,290 degrees were awarded for the academic year 2021-22 which included 910 Ph.Ds., the highest number of Ph.Ds. any University has ever awarded. He also emphasized since India is presiding over G20 this year, dual degree programmes, joint projects, joint research initiatives shall be at the forefront of the summit in the field of education. This very event shall be the beginning of such collaborations which shall make students global and responsible citizens.

**Prof. Yogesh Singh, Vice Chancellor, University of Delhi delivering insights on deepening ties between India and Australia**

Shri Dharmendra Pradhan Ji emphasized that India and Australia share some common things, though the size of both countries is different but the roadmap and aspirations are similar. He said, “I have observed the development of Australia for last 50 years very closely, the country had a focus on skill development.” He also informed everyone that this was the first public programme of Mr. Clare in India. Asserting that India and Australia are deepening ties through two-way mobility to fulfil 21st-century aspirations, Union Education Minister Dharmendra Pradhan said that two Australian universities- Wollongong and Deakin will soon establish campuses in Gujarat. He emphasised that, India is implementing NEP 2020, affordability, accessibility and quality being at the forefront of NEP 2020. He further said that strengthening educational linkages will provide opportunities for students from both countries to learn and gain new experiences in diverse cultural settings, thereby truly upholding the values of “Vasudhaiva Kutumbakam” or “One Earth, One Family and One Future”, which is also the theme of India’s G20 Presidency.

**Shri Dharmendra Pradhan ji, Minister of Education, skill development and entrepreneurship sharing his insights on India-Australia ties in the field of education**

Mr. Jason Clare informed the gathering that he had with him

- The Australian High Commissioner
- 10 Vice Chancellors, an Acting Vice Chancellor, two Deputy Vice Chancellors and a Provost from Australian Universities;
- The incoming Secretary of Australia’s Department of Education;
- Seven CEOs and senior executives of Australian higher education peak groups;
- The Chief Commissioner of Australia’s higher education regulator, TEQSA;
- Two former Ministers;

Mr. Jason Clare, in his address, said that this is a high-powered delegation comprising educational policymakers and university administrative stakeholders that shall pave way for collaborative tie-ups with India. “What happens in universities can change the world as the power of education not only changes the lives of individuals but transforms nations. Many Australians who have been educated at the University of Delhi are now making a mark in the world, like Dr Parul Ganju who graduated from India in 2007 with a degree in biochemistry. She is now the founder and CEO of a company developing treatments for people with chronic skin diseases. Last year she was the BioSpectrum Asia Woman Entrepreneur of the Year. That’s the power of education. To do good. To transform lives and nations”, Clare said.

“Tomorrow, 10 new MOUs will be signed, also tomorrow Minister Pradhan and I will sign an important agreement. The Mechanism for the Mutual Recognition of Qualifications. It locks in the rules for mutual recognition to access education in Australia and India. It delivers immediate benefits for students and higher education institutions in both our countries. It means that an Indian student can be sure that a degree they obtain from an Australian University will be recognised if they want to continue higher education in India or they may be able to study a course structured with stages at an Australian university campus here or another country, and then complete their bachelor’s degree in Australia, and be confident their education qualification will be recognised in India.” he also said, adding that such educational MoUs between the two countries will pave way for setting up a mechanism for mutual recognition of professionalism too. He also introduced Mr. Gilchrist as someone whose parents understood the importance of education; his parents were teachers and made him complete his graduation from correspondence when he went to play in London.

**Mr. Jason Clare, Minister of Education, Australia sharing his thoughts on India –Australia collaboration in the field of education**

Mr. Adam Gilchrist stressed on deepening the ties between India and Australia in the field of education. India, through its NEP, he said, can be the ground for future educational strategies and policies of the world. He spoke about how important education and passion are and expressed his excitement about setting a campus in India.

After the dignitaries shared their thoughts an interaction with the students was held.

Prof. Yogesh Singh, Vice Chancellor of University of Delhi gave his opening remarks and stressed on the significance of internationalization of education. He emphasized that we shall discuss how to develop a system for equivalence of credits and degrees of both the nations. Prof. C. Sheela Reddy, Principal, Sri Venkateswara College, stressed that National Education Policy 2020, emphasizes practices with diverse educational systems through two way mobility of students and scholars. After the opening remarks, the floor was open for discussion.

One of the delegates shared his experience of their offshore campus at Vietnam, which is one the most successful universities in that country. He emphasized that the purpose of these offshore campuses is not generating money or helping in the ranking but a larger purpose of positive contribution to the society. They have worked towards society building in Vietnam and emphasized on exploring their potential of contributing to the Indian society. He also stressed that Covid 19 pandemic has brought us very close and made us realise that we all are intricately linked. In Australia, they realise the value of migration of skilled workforce.

Professor Poonam Verma expressed the keenness of University of Delhi colleges in collaboration with Australian Universities. She expressed her apprehensions regarding few points; while Australia is a developed nation however India is still struggling with socio economic disparity across various sections of the society and so here at University

of Delhi, many of the students belonging to the economically weaker section of the society might face challenges in making use of this opportunity. She suggested that for the beginning, we can start with a one semester exchange program.

Professor Niranjn Kumar said that the fees structure of Australian Universities is very different; will the same be applicable in India? In response to this Professor Patricia Davidson, Vice Chancellor, University of Wollongong said that the fees structure varies from nation to nation.

One of the Australian delegated shared that though initially it was a challenge for Australian students to go to offshore campuses but the students have said that it's been a life changing and enriching experience.

**Prof. Poonam Verma, Principal, Shaheed Sukhdev College of Business Studies sharing her thoughts and voicing her query**

**Prof. Patricia Davidson, Vice Chancellor, Wollongong University, responding to Prof. Verma's query**

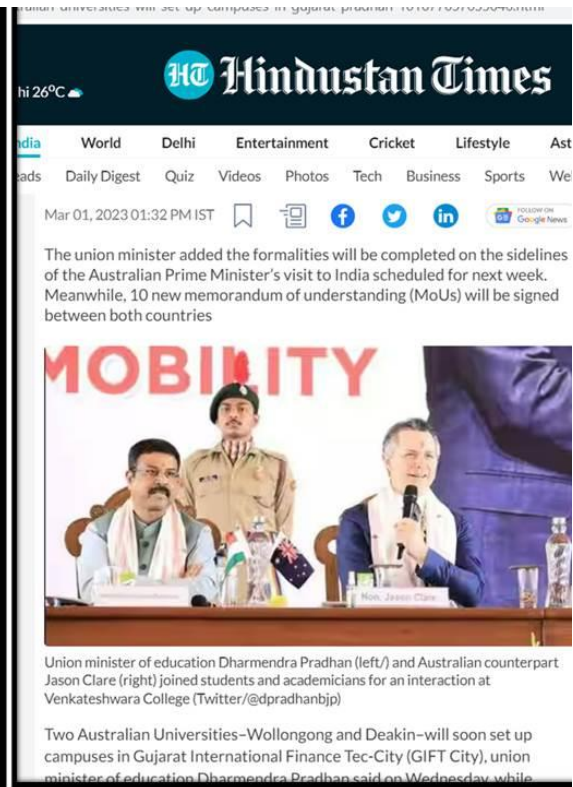

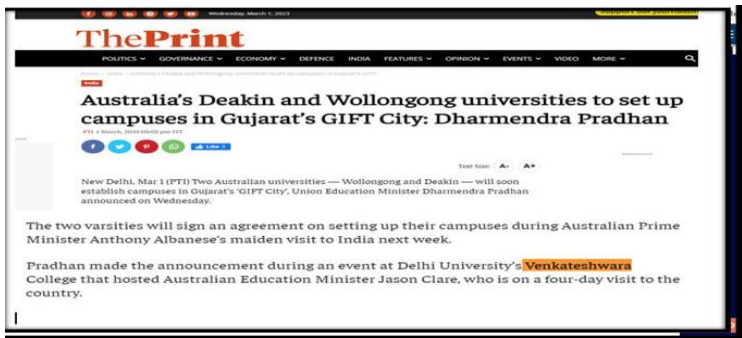

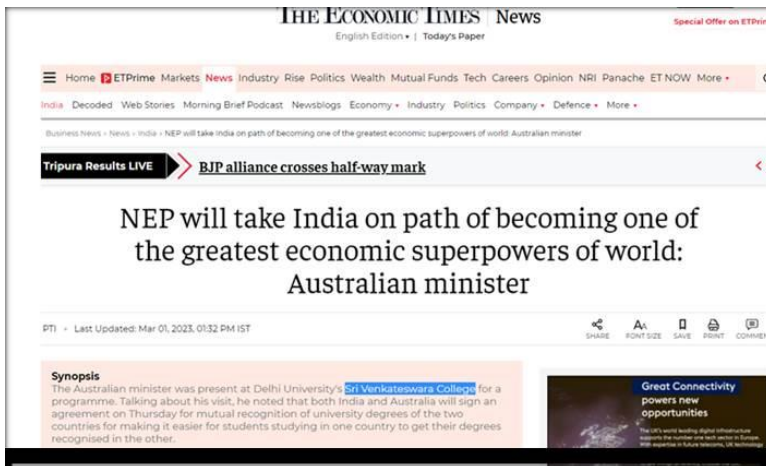

**Prof. Manoj Sinha, Principal, Aryabhata College sharing his opinion**

The roundtable ended with a resolve to build stronger ties between the two nations in the education sector. Elaborate guidelines, course structure and credit mechanisms should be finalised in the time to come to make the whole world One Earth, One Family, One Future. The roundtable was followed by lunch after which the hosts bid good bye to the guests.

**आस्ट्रेलिया के दो विवि गुजरात में परिसर स्थापित करेंगे : प्रधान**

जन्सत्ता ब्यूरो  
नई दिल्ली, 1 मार्च।

केंद्रीय शिक्षा मंत्री धर्मेंद्र प्रधान ने बुधवार को घोषणा की कि आस्ट्रेलिया के दो विश्वविद्यालय गुजरात में 'गिफ्ट सिटी' (गुजरात इंटरनेशनल फिन टेक) में अपने परिसर स्थापित करेंगे। ये विश्वविद्यालय वोलोन्गोंग और डीकिन विश्वविद्यालय हैं जो अगले सप्ताह आस्ट्रेलियाई प्रधानमंत्री एंथनी अल्बानेस की पहली भारत यात्रा के दौरान अपने परिसर स्थापित करने से संबंधित समझौते पर हस्ताक्षर करेंगे। प्रधान ने दिल्ली विश्वविद्यालय के वेंकटेश्वर कालेज में आयोजित समारोह में यह घोषणा की। समारोह में आस्ट्रेलिया के शिक्षा मंत्री जेसन क्लेयर भी शामिल हुए जो चार दिन की भारत यात्रा पर हैं।

उन्होंने कहा कि आस्ट्रेलिया के दो विश्वविद्यालय गुजरात में 'गिफ्ट सिटी' में अपने परिसर स्थापित करेंगे। हम युवाओं के लिए शिक्षा की सुगमता, वहनीयता और गुणवत्ता के साथ आस्ट्रेलिया से साझेदारी करना चाहते हैं। ये दोनों विश्वविद्यालय 'गिफ्ट सिटी' में अपने परिसर खोलने वाले पहले विदेशी संस्थान हैं।

आस्ट्रेलियाई मंत्री ने यह घोषणा भी की कि वोलोन्गोंग विश्वविद्यालय के वैश्विक ब्रांड अंबेसेडर और पूर्व क्रिकेटर एडम गिल्क्रिस्ट भारत में विश्वविद्यालय स्थापित करने में सहयोग करेंगे। प्रधान ने इस अवसर पर दोनों देशों के संबंधों के बारे में बात करते हुए कहा कि दोनों कुछ समान चीजें साझा करते हैं।

## **BACKGROUND**

India's National Education Policy (NEP) 2020 looks at reorienting the Indian education system towards meeting the needs of the 21st century over the 20 years to 2040. Opportunities for increasing and deepening international collaboration with Indian higher education institutions have increased as the Government of India implements its policy commitments from the NEP.

As part of this, India has recently liberalised arrangements for international partnerships including twinning, joint degree and dual degree programs and is expected to finalise regulations that will allow for the establishment of foreign branch campuses within India in coming months.

India is also seeking to expand itself as a student destination from the south and central Asian regions and Africa (Global South).

In addition, GIFT City, a special economic zone based in Gujarat, is encouraging foreign institutions to establish a presence to deliver finance, mathematics, STEM and business qualifications free of higher education regulation by the Indian Government.

The Indian Government is also encouraging India's premier higher education institutions to explore establishing offshore campuses, including in Australia.

**OFFICIAL**

Dear Prof Sheela Reddy

I am writing to you from the office of the Department of Education, Australian Government, based at the Australian High Commission, New Delhi.

The purpose of my email is to apprise you that the Australian Minister for Education, The Hon Jason Clare MP, will be visiting India between 1- 3 March 2023 to progress Australia India bilateral education agenda. The Minister will be travelling with a delegation of approximately twenty Australian Vice-Chancellors and senior representatives from the Australian education sector.

In August last year, Indian Minister for Education, Mr Dharmendra Pradhan visited Australia to attend the sixth Australia India Education Council meeting, further deepening collaboration between the two countries as knowledge partners. To reciprocate, Minister Clare is now visiting India to reaffirm their ongoing commitment to deepen bilateral relations in education, skilling and research.

As Sri Venkateswara college, New Delhi ranks among the top colleges of Delhi University, I would like to explore the possibility of Minister Clare's visit to your institution. With this objective, I request a meeting with you, either on **Thursday, 9<sup>th</sup> February 2023 anytime after 11.30 am** or **Friday, 10<sup>th</sup> February 2023 anytime after 1pm.**

Please feel free to contact me if you need more information. I look forward to hearing from you soon.

Warm Regards

Mathew

to All

Dear Colleagues

Greetings !!

I am pleased to inform you that Sri Venkateswara College, in association with the University of Delhi, is hosting a high-powered delegation of Vice Chancellors of Australian universities, led by Hon. Minister of Education, Australia, Mr. Jason Clare, as part of an exchange visit to India for '**Deepening Ties Through Two-Way Mobility**' on 1st March 2023 from 10 am to 11.30 am. The event will be graced by Shri Dharmendra Pradhan, Hon'ble Union Minister for Education and Skill Development & Entrepreneurship, GoI, who is our Guest of Honour. The event will be presided over by Prof. Yogesh Singh, Hon'ble Vice-Chancellor, University of Delhi.

Please find the schedule attached herewith.

I take this opportunity to cordially invite all of you to witness the event.

Since the University of Delhi is financially supporting this event and due to high-security protocol, we have clear instructions to keep the movement of people to a minimum. For this, it is important that the faculty attending the event ensure the following:

1. Faculty need to be seated at the venue (Cricket ground) by 9.30 am and will be permitted to leave their seat only once the event finishes at 11.30 am. It will not be possible to move in and out or within the ground during this time for any reason, except when otherwise announced.
2. Members of the organizing committee will be available with water bottles at strategic places within the tent area so that faculty do not have to move for water. Once a faculty moves out of the ground for any reason after 9.30 am, it may not be possible to re-enter the area.
3. Security badges are mandatory for entry into the ground. These can be obtained from the helpdesk near the foyer from 8.45-9.30 am on 1st March.
4. Because of the paucity of time, unfortunately, any level of personal interaction with any dignitary will not be possible. Hopefully, this will be compensated by the keynote address of Mr. Jason Clare on two-way mobility in higher education between India and Australia.
5. All must ensure that their phone is on silent mode.
6. Faculty who have examination duty on 1st March (M), cannot attend the event. There is no possibility of coming to the venue in between the duty for a short span of time. Please bear this in mind and your cooperation in this regard would be highly appreciated.
7. Classes will be suspended for 2nd and 3rd-year students on 1st March for minimum movement and smooth conduct of the event.

Please respond to this mail by 3 pm today i.e. on 28th Feb 2023 in order to secure the badges.

It will not be possible to entertain any request for badges after 3 pm.

Thanks and Kind Regards
