thankuh for making it clear

Nothing for the faculty. These orientations have been so helpful in choosing the GE, SEC and I hope for VAC too. The thing that disappointed me is that very few students attended it, as it was seen in the chats. If more of us would have attended it, the more qs/ans would have been done. And it would have been much more helpful. Overall, it was so good

Orientation like GE and SEC helped me a lot to know about new subjects from other fields and from my field also.

THIS SESSION IS VERY HELPFUL FOR ME AND EVEN FOR EVERYONE
