Date: 13th February, 2023

Venue: New Seminar Hall

Number of Participants: 89

The inauguration of Honeywell - ICT Academy Training Program for Data Analytics and Centre of Excellence for Women Empowerment was set in motion by the lighting of the spiritual lamp and a beautiful Saraswathi Vandana by Sri Venkateswara College student, Ipshita. The guests were felicitated with momentos and saplings.

Post which the coordinator of ICT Academy Dr. Vikas Jorwal gave a heartfelt welcome address acknowledging the efforts went in organising the training program, highlighting it as a steep learning curve for the students enrolled. The IQAC Coordinator, Professor Swarn Singh addressed the audience and apprised them about the meticulous training program for the female students as a CSR Initiative by Honeywell. Sir also highlighted the importance of learning Data Analytics, especially Microsoft Power-Bi, considering the expanding job market for the same. Dr S. Venkata Kumar, the senior most faculty member of the Commerce Department then motivated the students to give their best for the program and utilise this golden opportunity while talking about the dynamic business environment and the importance of upskilling. Sir emphasised on the importance of consistency and determination in order to succeed in any pursuit of one's life.

He was followed by Mr. Aron Dinesh, Honeywell & MSP Project Manager, who threw light on the expectations from the program and introduced the trainer, Mr. Mohammad Shakeel. Sir, talked about other CSR initiatives of Honeywell but how women empowerment was particularly close to his heart in order to provide female students with plethora of opportunities from a young age and make them ready to face the cut-throat corporate world. Further, Mr. Abhinandan Pandey, State Head- Academic, ICT Academy took the dais to address the audience and give an overview of the program. He discussed other programs offered by ICT Academy if the students be interested. Sir gave a special thanks to the college administration for the smooth arrangements and providing the opportunity to female students to learn data analytics, a very important tool, free of cost and conveniently.

Lastly, Dr. Rakhi Narang delivered the vote of thanks addressing the team's meticulous contribution towards the program and the inauguration ceremony, giving a special mention to the principal and college administration for their unparalleled support. The ceremony culminated with the ribbon cutting to inaugurate the Centre of Excellence in ICT Lab.

SESSION REPORT

ICT Academy in its endeavour to create a new generation talent pool has been working all along with Government Departments and Corporates in initiating Skill Development Training Programs for the youth in various sectors. Honeywell has inked an MoU with ICT Academy to implement its CSR initiative across states in India to skill graduating final-year students on Advanced IT Skills.

ICT Academy through its Institutional tie-up with Sri Venkateswara College, for skilling youth, has taken up the responsibility to implement the initiative. The Microsoft Power-BI Data Analytics course had its inauguration on February 13, 2023, between 2:00 pm to 3:00 pm. The session, however, had started the same day at 8:45 am witnessing a 6 hour and 30 minutes long training. From February 14 to February 25, 2023, the training was conducted for 8 hours and 30 minutes each day, divided into 4 sessions of 2 hours and 15 mins accompanied by tea breaks and lunch break in between. The session concluded on February 25, 2023, and completed 100 hours of cumulative training under the mentorship of Dr. Rakhi Narang and Dr. Namita Nayyar.

Honeywell Training Session Plan

1. The program is only for final year students, and this is FREE.

2. The program will be for 100 hours divided in number of sessions as convenient to the college.

3. The program can be in offline (campus) mode.

4. The batch size can be 60 – 120 (offline). Minimum 60 is a must.

5. A list of participating students (Name, Stream, Mobile, Email) will be needed.

6. The participants will be given digital study material for their knowledge enhancement.

7. On the last day of the program, there will be an Assessment based online test, monitored by ICT.

8. Those students, who score 60% or more in the test, will get the certificate of 'Pass'. All other participant students will get a 'Certificate of Participation'.

9. ICT will also offer a 'Certificate of Appreciation' to the college.

10. The college can have multiple such programs for different streams.
