NOTICE

The college has a Memorandum of Understanding (MOU) with Translational Health Science and Technology Institute, Faridabad. Under this MOU a number of activities will be carried out, summer internship being one of them. Applications are invited from interested students, from all Science streams for a six week summer internship (1st June to 15th July) at Translational Health Science And Technology Institute, Faridabad. Students should give their area of interest and the name of Principal Investigator (PI) under whom they wish to do the internship. Each student can give names of three Principal Investigators. Applications can be mailed to svcdbt@gmail.com by 20.5.2022.
