Dear Sir

It gives us immense pleasure to announce that the Special Centre of Disaster Research (SCDR), Jawaharlal Nehru University (JNU) with Disaster Management Initiatives and Convergence Society (DMICS) is organizing National Conference on **Transforming India - Risk to Resilience** from **March 15-17, 2023**.

This event will have high-profile plenary/keynote lectures, oral/poster presentations and various technical sessions. At the same time, the conference will be helpful to the participants in providing unique networking opportunities to showcase their scientific innovations as well as innovations in the arena of governance or public policy.

The information brochure/poster for the National Conference on **Transforming India - Risk to Resilience** is attached herewith. **Kindly circulate it widely for the maximum participation by faculty members/researcher scholars/students of your institution/department.**

On behalf of the Organizing Committee, the participants are invited to this significant event and submit an abstract and register on or before **15th January 2023**.

We seek your fervent contribution and support for the success of this important scholarly event.

Thanking you.

With Best Regards

Joshi, P.K.
