# ABOUT THE PLACEMENT CELL

**The Placement Cell** is a student body that works on the career requirements of the students of the college. It is the intermediary which matches the requirements of the companies with the talent pool of the college and liaisons between the recruiters, college administration and the students. The Cell consists of diligent and determined people, who dedicate their efforts towards getting the students of their institution placed in the best of companies, be it **Campus Placements** for the third year students, **Articleships** for the students pursuing **Chartered Accountancy** or offering **Summer Internships**. Having corporate giants such as **EY, Deloitte, KPMG, PwC and Accenture** on its Placement Board offering the highest package as **INR 12.88 LPA**, the Cell has shown a steady increase in the cluster of reputed corporate firms visiting the campus and the students placed each year. The Cell plans development strategies for not only the third years, but for every student of the institution by organizing informative seminars and sessions, wherein the students are enlightened on issues such as '**Mastering Personal Interviews**', '**Understanding Startup Business Model**', '**How to do well in Aptitude Tests**' and '**Entrepreneurship and Innovation**'. The Cell also assists the management of the college in generating awareness amongst students about the various opportunities present for them to explore. The Placement Cell contributes towards creating college-industry linkages and aims to help the college reach new heights by strengthening these interactions.

- In this Session, more than 40 companies offered enriching job profiles to the final year students including, but not limited to **Financial Market Analyst, Audit Assistant, Actuarial Analyst, Wealth Manager, Business Associate, Management Trainee and Associate Researcher**.
- The **Eighth Edition of the Internship Fair**, organized in a hybrid mode on **15th March, 2024** saw participation of **62 organizations (Start-ups, NGOs and Corporates)**. The Fair received an overwhelming response with **590 Registrations** and **543 Internship Offers**. Some of the top recruiters were **The Outlook Group, Bajaj Capital, The New Shop, eigoPathshala and Saksham Foundation**. The fair also had a speaker session and the event was a great success.

## ❖ ALUMNI CONNECT

**“Human interaction is all that we need, in the times of sadness, in the times of ambiguity, it’s the antidote to every negative emotion.”**

With this The Placement Cell, Sri Venkateswara College has come up with a series of Alumni Connect Sessions, an initiative to help students step up their preparation game by learning from the experience of our established and enriched alumni through a candid interaction. Thus, helping them solve most of their problems by right communication with those who have been through the same and are reaching new heights in the corporate world.

Through these webinars, we are not only getting our Alumni on board to help the students of our college in landing their dream jobs, but also establishing a platform for the Alumni to share their knowledge, experience, perspective and expertise in their respective fields. The informative and interactive webinars include small group discussions where students are encouraged to ask various questions about the professional world. Engaging in these alumni connect webinars will act as a valuable source of improving the practical understanding and knowledge in career decision-making.

It is rightly quoted by Bobby Unser that **Success is where preparation and opportunity meet**. Being the flagbearer of this quotation, Alumni Connect Sessions thus help in stepping up your preparation game!

## ❖ CV VETTING

***CV acts as the passport for your entry to the corporate world and it truly has the potential to make or break your interviews.***

The Placement Cell, in an effort to fortify a fair and authentic Placement drive, took the initiative of CV Vetting for all Placement Opportunities for the Batch of 2023. The cell verifies all the details mentioned by students in their CVs and ensures that all the CVs that reach the companies are standardized and up to the mark.

In order to help the students in walking through the process, a "CV Vetting Guidelines Document" was made which was to act as a guide for every stage throughout the process.
