REPORT

In the tapestry of life, every thread contributes to the vibrant celebration of a festival.

NOVEMBER 2ND 2023,

The CONNECTING DREAMS FOUNDATION chapter of Sri venkateswara college hosted a vibrant event, BLING 2.0, the fund-raising event of CDF SVC which unfolded as a kaleidoscope of colors and vibrancy, painting the campus with a lively palette of creativity and innovation. The heart of the event lay in the various stalls that showcased the diverse projects undertaken by the CDF SVC teams, project Prerna, project Roshni and project Alankriti. Each stall was a vibrant microcosm, meticulously designed to reflect the essence of the respective projects and a vast array of products displayed to be purchased as a part of this successful fund-raising event. One of the event's defining features was the collaborative spirit that permeated every corner. CDF seamlessly intertwined with other intra college societies, creating a dynamic tapestry of interdisciplinary collaboration. Different societies brought their unique flavors to the event, amplifying its richness. What set this event apart was the active participation of CDF chapters from other colleges.

Amidst the stalls and collaborative endeavors, the event unfolded as a multifaceted carnival with an abundance of games and races. Attendees, ranging from students to faculty, were drawn into the spirited competitions, creating an atmosphere of camaraderie and friendly rivalry. The games served as an interactive bridge, connecting people with shared laughter and excitement. As attendees dispersed, carrying with them not just Polaroids but a sense of shared experiences, the event's success was evident. It had succeeded in fostering connections, sparking new ideas, and leaving an indelible mark on the fabric of the CDF. This event was not just a moment in time; it was a chapter in the ongoing narrative of creativity,

Subject: Request to grant permission for tent, electricity connection and food stall.

Respected Sir,

We, Connecting Dreams Foundation of Sri Venkateswara College (DU), are writing to seek permission to permit tent and electricity connection for our upcoming college event, [Bling], scheduled for [2nd November 2023].

We just need one electric point and extension board in order to facilitate everything. We will be arranging the tents from our side and we just seek approval for the same and the tent will come in the morning to grant permission for its entry.

We will be having 2 simple food stalls arranged by our own members. So kindly permit that as well.

→ (Please do pay Rs.2000/- each)

This would help us to ensure smooth event conduction and make it more successful. We will comply with our event guidelines and policies. The responsible execution of this event is our top priority, as we are committed to upholding our college's reputation.

(Aishwarya)

We kindly request your approval for this endeavour. Your support is invaluable in making Bling an unforgettable, inclusive event.

Thanking you
Yours sincerely,
