The event was then officially taken over by Dr. Vijender Singh Chauhan, the Chief Guest and speaker who is a person with a great mind and deep wisdom. He is an Associate Professor at Zakir Hussain college, University of Delhi and is one of the most prominent conductors of mock interview for UPSC aspirants at Drishti IAS, a leading coaching institute for the UPSC examination. Dr. Vijender sir graduated from University of Delhi in 1993 and has succeeded in completing several prominent courses such as BA, MA, MPhil and BEd in the subject of Hindi. He is one of the chosen few who cracked the NET-JRF exam with flying colours. He even completed his PhD from the University of Delhi. He also talked about how NEP would affect the examination and the present condition of the PWD students, which he believes is made only for advancing the mainstream

society. He moved forward by explaining how to crack the examination in the post covid era. Sir truly gave advice which inspired the audience and opened the eyes and minds of everyone.

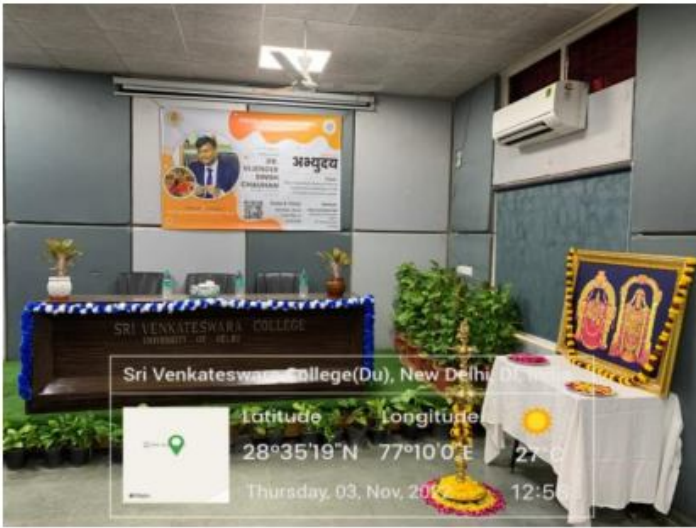

This was followed by the Q&A session where the enthusiastic audience asked questions. Sir gave detailed answers to all the questions. Thereafter the principal ma'am graced the audience with her presence. She addressed the gathering by sharing her words of wisdom.

What did you like the most and the least about the event?

Firstly I found the theme of the session very informative and helpful. Secondly I was happy to see the working of EOC, the distribution of tasks and of course, Representation of all. I don't have any specific dislike about the session. But, yes for upcoming events seating arrangement could be improved (maybe by organizing the sessions in some rooms which have more capacity) and the other thing I've already mentioned in the suggestion. I would also like to thank the EOC team for organizing such a wonderful session ❤️

Do you have any other suggestions/ advice/ comments to help us improve our future events?

Yes....pls try to arrange more seats .

Do you have any other suggestions/ advice/ comments to help us improve our future events?

Requires improvement in seating arrangement

Do you have any other suggestions/ advice/ comments to help us improve our future events?

The event was great however there were some confusing moments i would like to say that everything should be made clear to volunteers about whatever work to be done by them so there's no last min rush.

The overall feedback of those who attended the seminar was overwhelmingly positive and has provided EOC with scope to improve its performance further.
