REPORT

The Eco Club of Sri Venkateswara College successfully organized a two-week waste paper collection drive from 1st September 2024 to 15th September 2024. This initiative aimed to promote environmental sustainability and raise awareness about the importance of recycling within the college community. The event saw enthusiastic participation from students, faculty, and non-teaching staff. As a result of their collective efforts, a total of 749 kilograms of waste paper was collected. All the collected paper was sent to recycling facilities for proper repurposing. This initiative not only contributed to waste reduction but also fostered a greater sense of environmental responsibility among participants. Through this united effort, the Sri Venkateswara College community has exemplified how collective action can drive significant environmental change.
