# REPORT

The Seminar session organised by Youth India Foundation on the topic Inside Corporate Realms, aimed to educate students about the various psychological and physical factors involved in a corporate hierarchy. It covered various influencing illustrations and figures to showcase the importance of corporate system and its communication chains. A class of understanding was developed between young minds about the way of personal interviews during the placements. Major global factors of risk management and their impact on today's economy and corporate sector was discussed through the usage of different innovative case studies. Communicated various important metrics through which a candidate gets shortlisted in placements.
