BRIEF INFORMATION ABOUT THE ACTIVITY

TOPIC/SUBJECT OF THE ACTIVITY	Orientation for the batch of 2021-24
OBJECTIVES	The Orientation program was held to get the new students familiarized with what WDC is, how it functions and how important the presence of such institutions which make the campus safer and more inclusive are.
METHODOLOGY	The orientation was conducted by the Women's Development Cell of Sri Venkateswara College. The event was open to students of the college. An important discussion about homophobia, sexism and casteism was followed by a Q&A round to address the doubts of attendees.
INVITED SPEAKERS WITH AFFILIATION DETAILS (IF ANY)	-
OUTCOMES	Due to the engaging discussion, the orientation created a discourse on understanding why normalisation of same sex relationships, inter caste marriages are important. It successfully offered the students an overview on how WDC functions and the kind of work we do.

Respected Ma'am,

The Women's Development Cell of Sri Venkateswara College looks forward to organising an orientation of the cell for the batch of 2021 on the 4th January 2022 at 6:30 PM IST. We believe that the session will be enriching and engaging for students of our college.

For a seamless session without any interruption, we would require an access to the zoom premium. We would be grateful for your help. We hope that this works for you. Thank you!

Yours sincerely,

Jyotismita Khataniar,

President, WDC SVC.

Dipika .

Event report Attested by Event Coordinator & IQAC Coordinator:

The Women's Development Cell of Sri Venkateswara College organized their orientation for the batch of 2024 on January 4th, 2022. The orientation was facilitated by the core members of the cell with a streaming of a public opinion video surrounding feminism and homosexuality. It was followed by a discussion where the freshers got a chance to share their opinion on same. Through the session, the attendees got to know how the cell works, the recruitment process, important dates and opened the floor for further questions. Overall, we received positive feedback and we look for a good number of applications for the cell.
