**Facilitating admission of deserving and eligible candidates  
belonging to SC/ST category facing financial constraints**

This is for the information, and necessary action by all concerned within the stiuated period that the Twelfth Five Year Plan Document's para 21.232 states that "the reach of scholarships and student loans with government guarantees would be universalized so that no student is deprived of higher education opportunities for financial reasons. This will be complemented by schemes tailord to the specific needs of different groups. Attention to measures like improving the quality of teaching-learning in Indian languages should also be initiated in order to address the language-based dimension of inequality".

Many schemes, like Scholarships, Interest Subsidy on Education Loan, etc. ate being implemented by this Department to facilitate the poor students. However, it has been noticed that despite all these efforts many SC/ST students belongings to poor families are constrained to miss admission. **Notwithstanding technical difficulties in the process, the endeavor has to be to ensure that no rightful candidate misses the opportunities only on account of ready non-availability of adequate funds.** The matter has been considered and in order to tackle the problem, it has been received that all Centrally Funded Higher Educational Institutions may adopt the following course of action for admission of different categories of students based on intelligible criteria vide university letter number CB-II/062/2015/758 dated 19/23.10.2015 and letter number F.No.14-5/2013-SC/ST dated 13.01.2014, issued by the Department of Higher Education, Ministry of Human Reserouce Development (MHRD):-

- i. No fees need to be charged at the time of admission from those SC/ST students who are eligible for Post-metric Scholarships/Top Class Scholarships. They may deposit the fee with the college as soon as they receive the scholarship amount. An undertaking to this effect shall be taken from them at the time of admission. However, the CFHEIs will be responsible for timely verification, etc. of documents and their submission to facilitate timely disbursement of scholarship.
- ii. In other cases, if any SC/ST student failed to deposit the fee in the college, then fees may be charged after making special efforts to get them requisite loan sanctioned, including facility of interest subsidy to those whose income is below Rs. 4.5 lakhs where applicable.
- iii. Special Schemes under SCSP/TSP may also be drawn, in consultation with the target group in respective CFHEIs, for providing other facilities like books, equipment etc. essentially required for completion of course, which are not covered under these Scholarship Schemes, for SC/ST students.
